SITE DATA	
Address:	1062 MacArthur Road Reading Airport Industrial Park West Reading, PA 19605 Bern Twp. Berks County
Property Type:	Industrial / Warehouse
Lot Size:	20.5 Acres
Zoning:	Limited Industrial
Year Built:	1984
Real Estate Taxes:	\$0.90 per SF (2026 Budget)
CAM:	\$0.42 per SF net of Utilities (2026 Budget).

GENERAL DATA	
Building Size:	349,400 SF total ; the Industrial area is broken into three areas: 140,000 SF; 117,000 SF and 98,000 SF (all approximate sizes). Two stories of office space totaling 12,600 SF per floor. The second story office is not included in the total number shown above.
Description:	Industrial building w/ steel superstructure and vertical architectural concrete wall panels. Smooth concrete floor. Two demising walls create three sections which currently have 12' W x 10' H wall openings w/ roll-down fire doors separating the spaces. A stand-alone maintenance building is present. Both truck dock areas have gates to control vehicle access. Lighting is mixed, from fluorescent to HPS, all of which can be upgraded as part of a Tenant package negotiation.
Site Description:	Located a block away from the Route 222 / 183 interchange, it's one exit away from Route 61 north to I-78, or head south on 222 to connect to Route 422 / I-76 PA Turnpike. This is superior a location. If your business requires air cargo, access to Reading's FBO is a block away. Barta Bus serves the area which is immediately west of the City of Reading which has a rich blue collar labor force available.
Truck Access:	14 - Dock positions; 8' x 8' w/ seals, bumpers, trailer lights, trailer blowers, trailer restraints and dock position lights. The 35,000 lb. dock levelers are pneumatically operated. The docks have a 50' deep concrete dock apron. 1-12' x 14' Drive In door w/ electric lift (additional access is possible).
HVAC:	Johnson Air Rotation Units in the industrial areas, natural gas fired. The 140,000 SF area has vintage A/C units, condition unknown. Office areas have gas heat and A/C.
