WHY WORCESTER?

Worcester is located in the heart of Massachusetts and New England. One Mercantile represents the most exciting mixed-use opportunity to emerge in the city's ongoing and progressive transformation. As the second largest city in the northeast, Worcester has experienced vibrant growth highlighted by an active diverse culture, multi-billion dollar public/private investment, a robust healthcare and biotechnology industry and an abundance of nationally recognized colleges and universities. One Mercantile stands at the epicenter of the city's growth and provides a unique opportunity for both office and retail businesses.

One Mercantile is poised to take advantage of the many assets available in this dynamic and distinct environment:

- A city of iconic buildings and energized leadership
- Thriving downtown that includes office, medical, retail and residential space in the heart of the business district
- Educated workforce drawing from more than 38,000 college students
- Central location among Boston, Springfield, Providence and Hartford, featuring rail, bus and air service
- State-of-the-art telecommunications infrastructure
- Diverse business economy including health care, medical research, life sciences and biotechnology, manufacturing, information technology, financial services and retail
- 65 arts and cultural venues (museums, theater, art galleries), 60 parks, a premier 13,700 seat arena and convention center, and a thriving nightlife
- 18-hour city to work, live and play
