## *Brickell Overview*

### ON THE HORIZON

Brickell keeps growing with world-class developments underway, like OKO Group's 830 Brickell, JDS Development's 1 Southside Park, Related's Baccarat Residences, the Underline Park, among others. With the highest density zoning in the City of Miami and an already existing community of transnational corporations, high-income demographics, and world-wide destinations, Brickell has cemented its reputation as the go-to destination for CEOs, executives, entrepreneurs, and elites.

### THE LONG TERM VISION

Developers are quickly transforming the area from what used to be a predominantly office submarket, to a residential hotspot, and a global destination for travelers seeking an exciting, young, and fast-paced ecosystem much like New York City. The next iteration of Brickell will further activate its streets with the likes of The Underline Park and 1 Southside Park, while elevating the shopping and dining experience to meet the demand of the growing office and residential population to be in places that excite and inspire.

### THE DISTRICT TODAY

Brickell today boasts the title of being the financial district of Miami and South Florida, with some of the largest corporations in Florida located within this 1.1 Square Mile area. The area is one of the true live-work-play communities with its Class A residential apartments and condos, Class A office fabric, and a vibrant retail and restaurant scene.
