LOCATION DESCRIPTION

The center is located just off I-95 at the signalized intersection of Jimmy Deloach Parkway and Benton Boulevard within The Highlands of North Godley Station in Pooler. The residential portion of The Highlands consists of 1,200+ acres with 5,700+ single and multifamily units at completion. This area has an immediate need of services given the residential and daytime population nearby. In addition, the completed extension of Benton Boulevard to State Highway 30 has attracted more residents of Port Wentworth and Effingham County, who have been using it as a thoroughfare to Pooler's services.

Godley Station is a 5,800-acre master-planned development, which has been the center of real estate growth just west of Savannah for slightly more than a decade. The area is home to the Sav/HH International Airport and is logistically centralized for convenient travel to anywhere within the Savannah area, with quick access to both I-95 and I-16. Both residential and commercial growth can be attributed to a number of economic drivers including: the Georgia Ports Authority, the tourism industry, employers such as Gulfstream, JCB, EFACEC, GA Pacific, Amazon and Fort Stewart and Hunter Army Airfield military bases.
