Westover Hills Baptist Hospital NOW OPEN to serve patients, community

(CONTINUED)

At more than 350,000 square feet and sitting on 72 acres, the five-story hospital offers emergency and cardiac care, maternity and a surgical services, imaging, lab, and vital inpatient services. The hospital opens today with 92 beds and additional floors set for rapid expansion if needed to serve the growing community. A 90,000 square foot medical office building adjacent to the hospital, brings physician offices and a variety of healthcare services for Westover Hills and surrounding areas.

Matt Stone, group CEO for Baptist Health System, is a native San Antonian who is passionate about ensuring the health and well-being of all residents throughout the city.

“Baptist Health System has been caring for San Antonio for 121 years. We are thrilled that the Westover Hills community now has access to the same, high quality, compassionate care our system delivers at all of our hospitals across San Antonio and the surrounding area,” Stone said.

The hospital courtyard is designed to connect visitors, patients and the community to a walking trail and a peaceful pond. Hospital leaders ensured native trees on the property were preserved and incorporated into the design and landscape of the multi-acre public space between the hospital and the medical office building.

“Paths from inside the hospital lead visitors, patients and staff into a tranquil courtyard,” Phillips said. “This will be our ‘Central Park’ where employees can also benefit from enjoying the greenery and trees from the time they arrive at work and park in the parking lot, to the time they enter the building, and throughout their entire day. It’s a beautiful place where they can take breaks between their busy shifts,” he added.

Hospital leadership thoughtfully worked to preserve and enhance existing native trees and green spaces around the facility. Research studies have shown that exposure to hospital green spaces has been associated with a range of positive health outcomes, including improved mental health, reduced anxiety, improved blood pressure, and faster recovery from illness or surgery. The hospital is proud to continue contributing to the well-being of San Antonio by bringing compassionate healthcare, professional careers, community service partnerships and many new vital resources for the far west side community it will serve.

Westover Hills Baptist Hospital adds to the Baptist Health System hospitals across the city including: Baptist Medical Center downtown, Mission Trail Baptist on the south side, North Central Baptist Hospital in Stone Oak, Northeast Baptist Hospital on the city’s northeast side, St. Luke’s Baptist Hospital in the Medical Center, and Resolute Baptist Hospital in New Braunfels.

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

11-2-2015

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER’S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker’s own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client’s questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner’s agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner’s agent must perform the broker’s minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer’s agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant’s agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer’s agent must perform the broker’s minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller’s agent.

AS AGENT FOR BOTH – INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker’s obligation as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May with the parties’ written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinion and advise to, and carry out the instructions of each party to the transaction;
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker’s duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker’s services. Please acknowledge receipt of this notice below and retain a copy for your records.
