\$3,900,000

We are offering a rare-to-find building in Fort Lee with great potential. The building underwent complete renovations in 2016, including both interior and exterior updates. Plumbing, roofing, exterior walls, interior, and flooring have all been replaced. The water heater and HVAC system have also been upgraded to brand new units, both functioning excellently. While there is no dedicated parking lot, there are plenty of convenient parking options nearby, so parking will not be a concern. Additionally, there is a public parking lot just one block away. The building features 5,000 square feet on the first floor...
