Cleveland, Tennessee

# Property Details

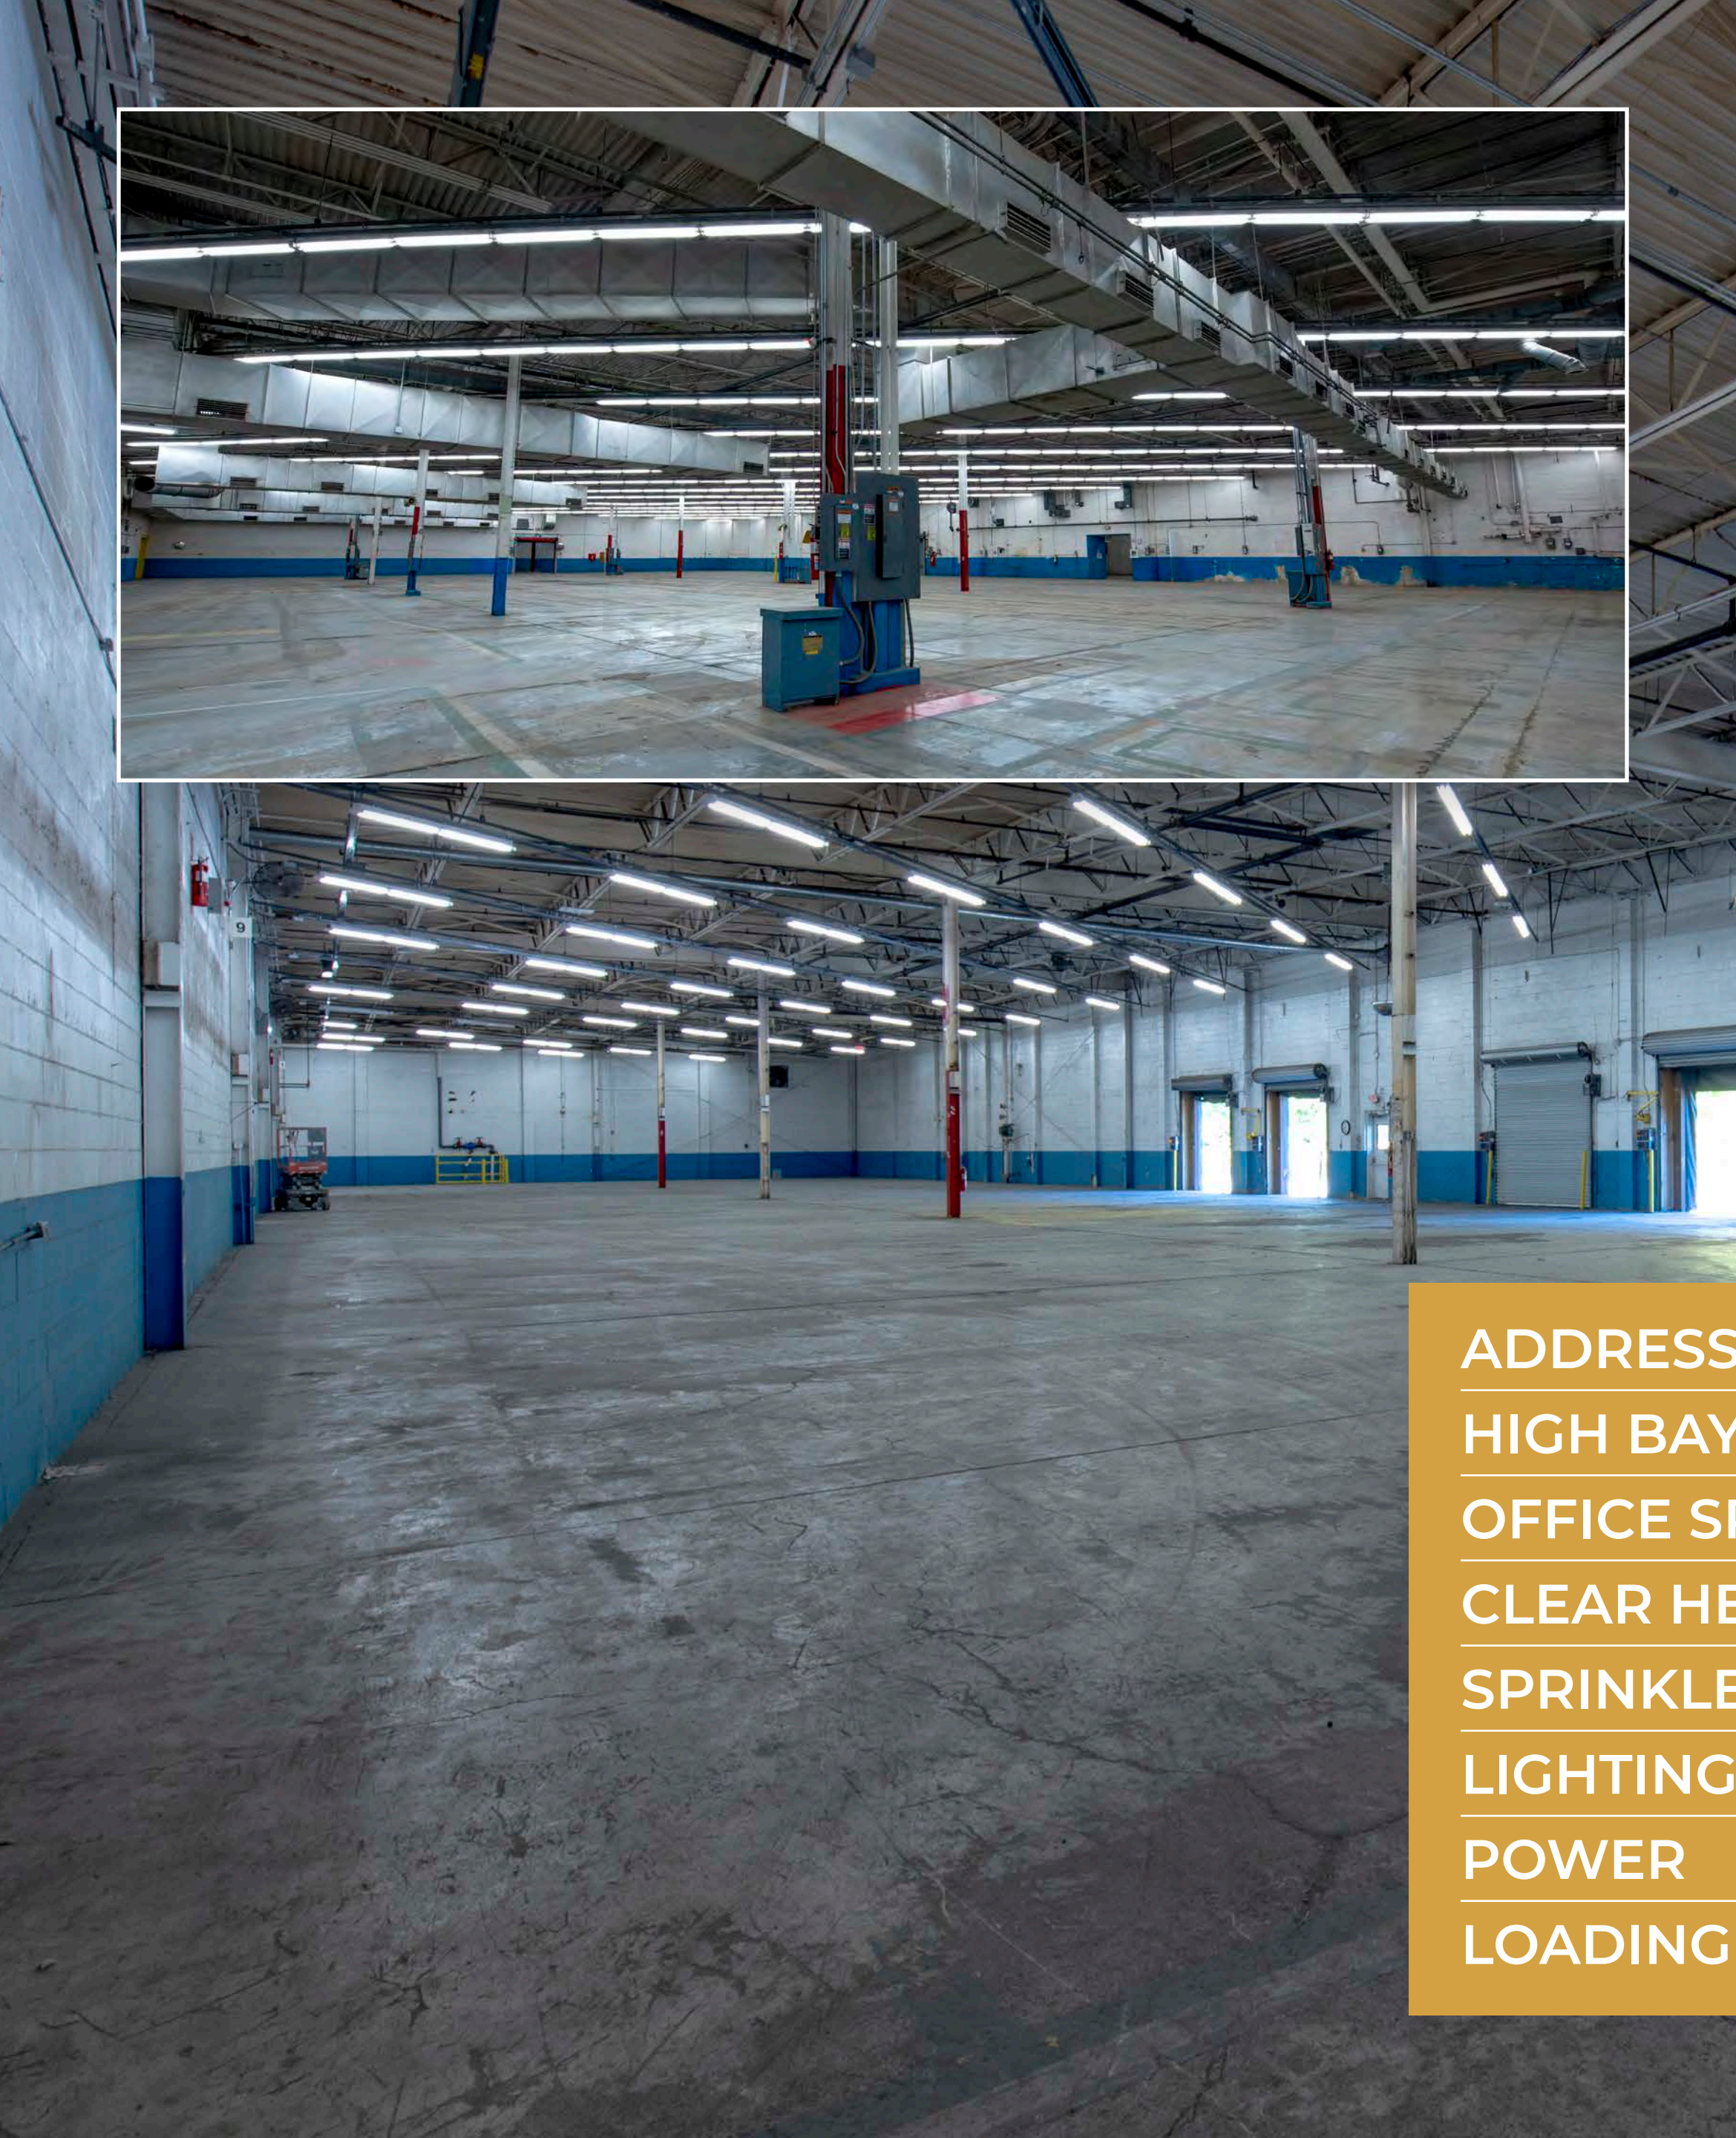

## 2000 OVERHEAD BRIDGE RD

With prominent access from the Overhead Bridge exit off State Hwy 60, just 3 minutes from I-75 in Cleveland TN, 2000 Overhead Bridge Rd NE is a prime 43,412 - 96,378 manufacturing or warehousing opportunity. The facility has predominantly 20.5' clear heights throughout and fitted with wet sprinkler fire suppressions systems. The fully fenced property has a well-appointed visitor entrance feature and ground level office space. Shipping and delivery opportunities include eleven (11) dock doors and four (4) grade level drive - in doors. Production and visitor parking have gated access control and are served by +/- 225 surface parking spaces immediately in front of the building. This property is highly functional to serve manufacturing, assembly, or distribution functions with +/- 9 AC of land suited for adjacent expansion requirements or industrial outdoor storage.
