NOVUS

Novus Innovation Corridor is a public/private partnership between the nation's "Most Innovative University", Arizona State University and award-winning master developer Catellus Development Corporation. Strategically integrated with ASU's Tempe campus along Tempe Town Lake, the mixed-use development enables companies to achieve synergies with a major university, including access to world-class research and a highly educated and skilled workforce.

Early phases of Novus include the 2.1-million-square-foot Marina Heights and the \$307 million renovations of Sun Devil Stadium. Novus will continue to introduce leading-edge technologies into an urban landscape.

HIGHLIGHTS

PROPERTY

Novus is a 355-acre, multi-phased development, which at completion will encompass nearly 10 million square feet of urban mixed-use opportunities.
