NOW OPEN IN PONCEY HIGHLAND

The redevelopment of The Highland Inn and Ballroom and neighboring Highland Row commercial strip. The same charming hotel building and shops — just a new name, Otto's.

Originally built in 1927 as Wynne's Apartment Hotel, Otto's Apartment Hotel harkens back to its roots as a "residential hotel with efficiency apartments rented by the day or week", and re-emerging as a modern flexible living concept. Part boutique hotel, European hostel, and your favorite apartment that offers a variety of housing accommodations: from a nightly hotel stay for those intown for an event, fully furnished 3-6 month leases for those new to Atlanta or here for a work project, or full-time traditional rental housing for those looking for a walkable intown apartment with the feel of a boutique hotel.

Along with the apartment hotel, Otto's includes The Highland Ballroom, a cafe space, courtyard patio, and The Shops at Otto's, an adjacent 30,000 SF commercial building made up of local retailers and office space.
