Murphy USA is one of the nation's largest independent fuel retailers, operating more than 1,700 locations across 27 states and serving nearly 2 million customers every day. Originally established in 1996 as a spin-off from Murphy Oil, the company has grown into a dominant presence in the convenience retail sector.

Headquartered in El Dorado, Arkansas, Murphy USA is a publicly traded company listed on the NYSE under the ticker MUSA and **ranked #214** on the **2024 Fortune 500 list**. The company is also recognized as one of Fortune's 100 Fastest-Growing Companies, **ranking #89**.

Historically positioned adjacent to Walmart stores, Murphy USA has expanded its real estate strategy through the development of larger, standalone Murphy Express sites. These newer formats offer an expanded product mix, competitive fuel pricing, and convenience-driven services such as free ATMs, fountain drinks, and hot food offerings. In **Q1 2025 alone**, Murphy USA opened **eight new stores** and continued its aggressive rollout of raze-and-rebuild projects nationwide. Operationally, the company emphasizes cost discipline, **in-store category growth**, and innovation in technology, including its proprietary FuelAssure™ platform and the popular Murphy Drive Rewards loyalty program. Murphy USA's retail fuel margins, merchandise performance, and **robust logistics network** have positioned the brand as a resilient and profitable tenant, even in volatile markets. With over **15,000 employees** and a long-term commitment to growth, Murphy USA represents a stable, creditworthy national tenant with a proven record of customer loyalty, **operational efficiency**, and market leadership.

Murphy USA Inc. Reports First Quarter 2025 Results

MAY 7, 2025 (MURPHY USA)

EL DORADO, Ark.--(BUSINESS WIRE)-- Murphy USA Inc. (NYSE: MUSA), a leading marketer of retail motor fuel products and convenience merchandise, today announced financial results for the three months ended March 31, 2025.

Key Highlights:

- Net income was **\$53.2 million, or \$2.63** per diluted share, in Q1 2025 compared to net income of \$66.0 million, or \$3.12 per diluted share, in Q1 2024.
- Total fuel contribution for **Q1 2025 was 25.4 cpg**, compared to 24.8 cpg in Q1 2024.
- Total retail gallons decreased 1.9%, and volumes on a same store sales ("SSS") basis **declined 4.2%, in Q1 2025** compared to Q1 2024.

Murphy USA added eight new stores in Q1 and accelerated growth through raze-and-rebuild projects, reinforcing its national expansion strategy.

- Merchandise contribution dollars for **Q1 2025** increased **2.3% to \$195.9 million** on average unit margins of 19.6%, compared to Q1 2024 contribution dollars of \$191.6 million on unit margins of 19.2%.
- During Q1 2025, the Company repurchased approximately **321.1 thousand** common shares for **\$151.2 million** at an average price of \$470.80 per share.
- The Company paid a quarterly cash dividend of \$0.49 per share, or \$1.96 per share on an annualized basis, on March 5, 2025, a **2.1% increase** from December of 2024, for a total cash payment of \$9.8 million.
- On **April 7, 2025**, the Company successfully completed a refinancing and upsize of both its revolving credit facility and its Term Loan B to extend maturities and provide additional liquidity for the next **several years**.

Murphy USA to Accelerate Store Growth in 2025

HANNAH HAMMOND, FEBRUARY 5, 2025 (CSP DAILY NEWS)

Murphy USA showed strength in its core areas, fuel and nicotine, in 2024, President and CEO Andrew Clyde said in the convenience-store chain’s fourth-quarter 2024 earnings results, which were released Wednesday afternoon.

Overall, though, the company was down when it came to net income for the **fourth quarter of 2024** and for the full year. “Strength in our core areas, particularly our fuel and nicotine categories, continued to drive significant value, with retail fuel margins up **50 basis points year-over-year**, despite lower volatility and a flatter price profile. Total merchandise margin dollars **increased nearly 4%** year-over-year, despite challenges in our Northeast market especially for food retailers.”

Murphy USA plans to open 80–90 new stores in 2025, including raze-and-rebuild projects and expanded formats, marking its most aggressive growth year to date.

The chain accelerated its **new-store activity** in 2024, Clyde said, completing 32 new-to-industry stores and 47 raze-and-rebuilds. There was a **total of 1,757 Murphy USA/Express** and QuickChek stores as of Dec. 31, and it has plans to keep growing its store count in 2025.

Murphy USA is increasing its growth trajectory in **2025 and 2026** as it focuses on long-term growth opportunities, Clyde said. Its 2025 guidance showed that Murphy USA will open up to **50 new stores** and up to 30 raze-and-rebuilds in the coming year.

“Looking ahead, we remain committed to **organic growth** in attractive markets, leveraging our strengths and capabilities to take share and investing in innovation to deliver exceptional value to our customers,” Clyde said.

Located along the Gulf Coast, Mobile is a thriving mid-size metro with a diverse economy, robust transportation infrastructure, and one of the nation's busiest ports.

As Alabama's only seaport city, Mobile is home to the Port of Mobile—ranked among the top 10 largest U.S. ports by tonnage—which continues to fuel economic activity and attract major industrial investment.

Major industrial employers and a top-ranked U.S. port continue to drive long-term economic growth across the Mobile MSA.

The metro also benefits from strong access to Interstates 10 and 65, CSX and Canadian National railways, and an expanding airport system, providing

multimodal logistics advantages for employers and residents alike. The city's strategic location and pro-business policies have supported the growth of key sectors including aerospace, shipbuilding, manufacturing, and chemical production. Mobile is home to global names like Airbus, Austal USA, and AM/NS Calvert, while the Brookley Aeroplex is undergoing a \$400M expansion as it transforms into the new commercial terminal for Mobile International Airport. Ongoing development around the waterfront and downtown core is revitalizing the urban landscape, with a surge in new housing, hotels, and entertainment venues. Mobile also features a rich cultural heritage, historic neighborhoods, and year-round tourism—including America's original Mardi Gras. With a relatively low cost of living, strong public institutions, and a labor force supported by multiple colleges and universities, Mobile is well-positioned for continued growth and long-term economic sustainability.

Mobile Chamber reports booming local economy in 2024 with significant capital investment, job creation

AUSTEN SHIPLEY, JANUARY 9, 2025 (YELLOW HAMMER)

The Mobile Chamber has revealed that the city’s economy had over \$422 million in capital investment and almost 1,400 jobs created in 2024 alone.

The numbers have translated into a booming economy that has drawn both businesses and new residents to the Port City. With the strong performance in both categories, Mobile is continuing its rise as a national hub for innovation, manufacturing, and distribution.

“The success of 2024 is a reflection of the vision and determination of businesses that see Mobile as a place where innovation and opportunity thrive,” said Mobile Chamber President and CEO Bradley Byrne. “Team Mobile is laying the groundwork for long-term prosperity and our best days are ahead. We are just getting started.”

Port expansion will allow larger vessels, boosting trade volume and attracting national logistics investment.

Mobile Mayor Sandy Stimpson believes the investment into Mobile’s economy by various corporations is “shaping a brighter future” for the city and its citizens.

“The growth we’ve seen over the last year is a testament to our region’s economic strength, our skilled workforce, and the confidence that industry has in Mobile’s trajectory,” said Stimpson. “Across multiple sectors, leading companies are choosing to invest and reinvest in our community.”

According to Mobile County Commission President Merceria Ludgood, teamwork was the key to the year’s success.

Mobile secures historic \$550 million USDOT grant for Mobile River Bridge and Bayway

JULY 18, 2024 (ALABAMA POLITICAL REPORTER)

In a landmark achievement, the U.S. Department of Transportation (USDOT) has awarded a \$550 million discretionary grant to the Mobile River Bridge and Bayway Project.

Mayor Sandy Stimpson expressed his profound gratitude during a statement this morning, following a congratulatory call from Secretary of Transportation Pete Buttigieg.

This grant, part of the Bridge Investment Program, is the largest federal grant in Alabama’s history.

“Hallelujah! It is hard to overstate how important today’s announcement is for the future of Mobile,” Mayor Stimpson said. He emphasized the collaborative effort that made this possible, thanking President Joe Biden, Governor Kay Ivey, Alabama’s congressional delegation, and numerous local officials and advocates for their unwavering support and dedication to this project over the years.

Governor Kay Ivey hailed the grant as a “game-changer” for Alabama, highlighting its potential to boost not only Mobile and Baldwin Counties but also the entire state and region. She praised the federal government for recognizing the critical importance of this infrastructure project.

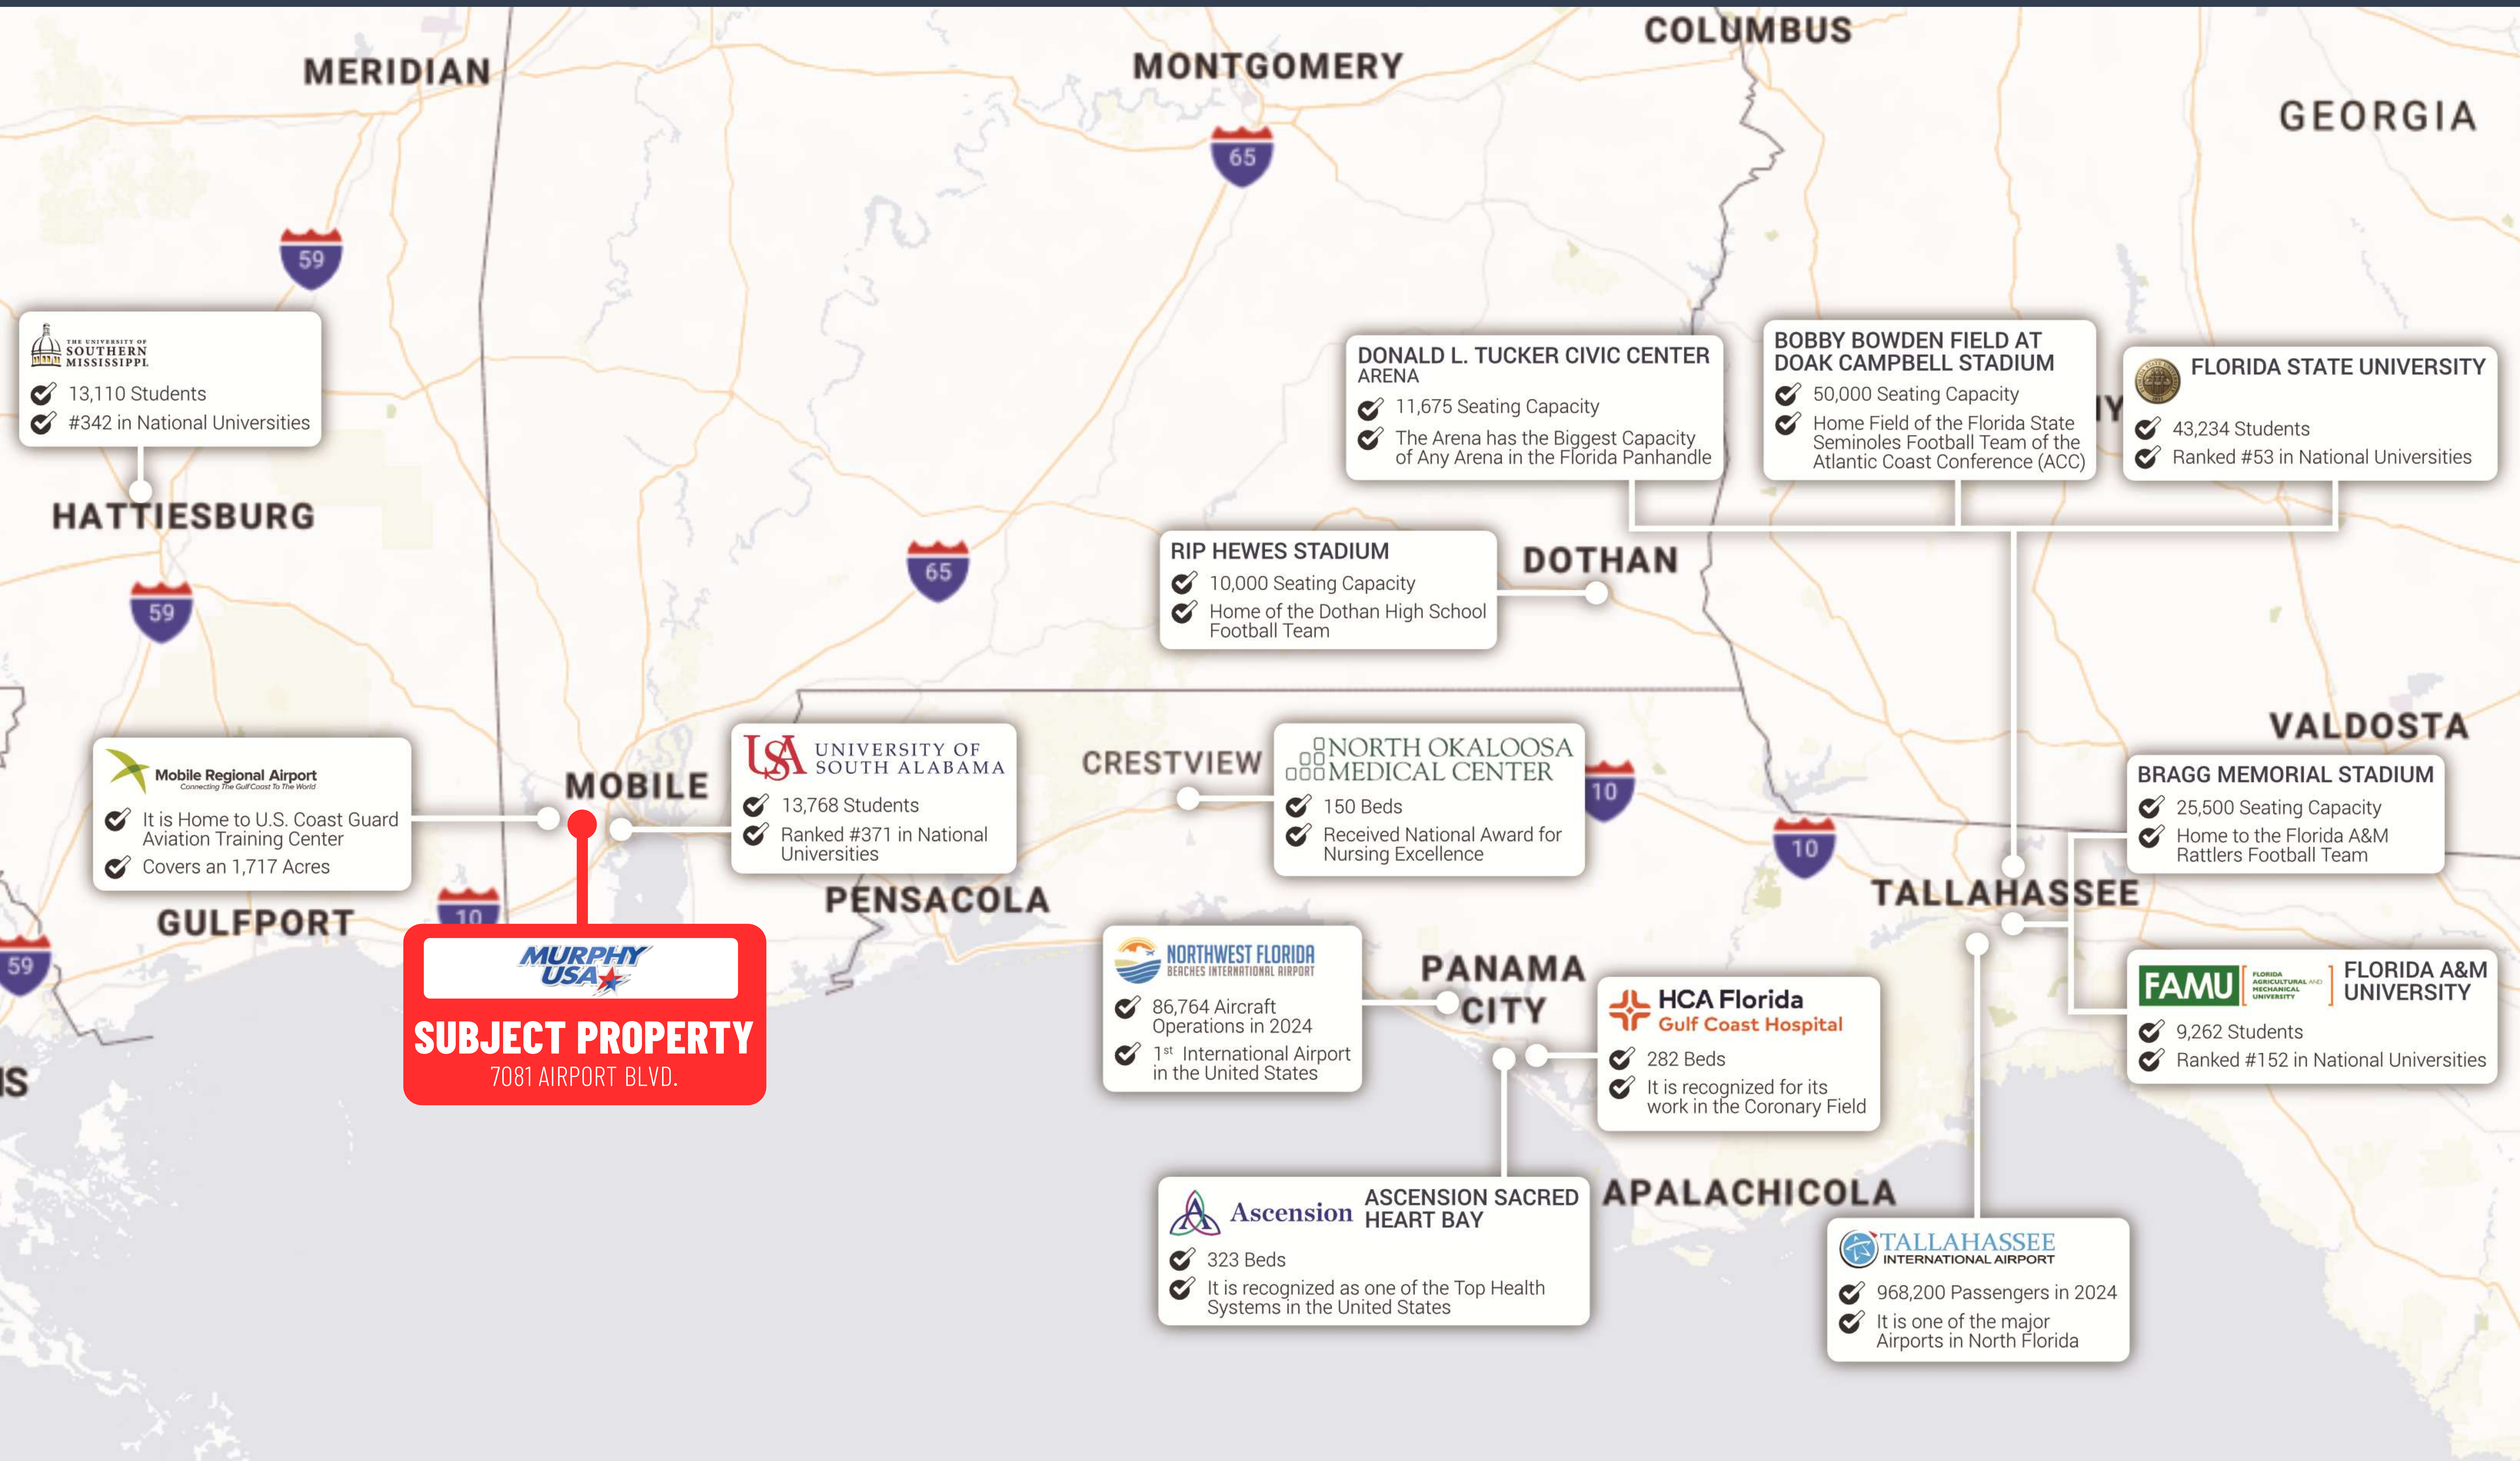

Senator Katie Britt also celebrated the grant, noting, “The \$550 million investment in the Mobile River Bridge and Bayway Project is a huge win for Alabamians and any American who drives along I-10.”

The \$550 million grant significantly advances the decades-long effort to construct a new I-10 bridge and bayway, expected to cost a total of \$3.5 billion. This project aims to alleviate congestion in the Wallace Tunnel and expand the bayway, which is crucial for improving traffic flow, enhancing public safety, and supporting commerce and tourism along the Gulf Coast.
