BRASELTON CROSSROADS

BRASELTON CROSSROADS

Located in Atlanta's preeminent I-85 North submarket, along the I-85 corridor, just 30 minutes from I-285 and 15 minutes from the I-85/I-985 split, **Braselton Crossroads** consists of three rear-load, light industrial buildings totaling 461,533 SF.

In addition to the property being located less than one-half mile from the Hwy 211/I-85 interchange, 30'-32' clear heights, ESFR, sprinkler systems and multiple store front positions are some of the features this state-of-the-art design offers.

PROPERTY HIGHLIGHTS

32' Clear Height

**52' x 45' (60' staging)

ABOUT NEWMARK

We transform untapped potential into limitless opportunity.

At Newmark, we don't just adapt to what our partners need—we adapt to what the future demands. Since 1929, we've faced forward, predicting change and pioneering ideas. Almost a century later, the same strategic sense and audacious thinking still guide our approach. Today our integrated platform delivers seamlessly connected services tailored to every type of client, from owners to occupiers, investors to founders, and growing startups to leading companies.

Tapping into smart tech and smarter people, Newmark brings ingenuity to every exchange and transparency to every relationship.

We think outside of boxes, buildings and business lines, delivering a global perspective and a nimble approach. From reimagining spaces to engineering solutions, we have the vision to see what's next and the tenacity to get there first.
