Why You Need to be Here!

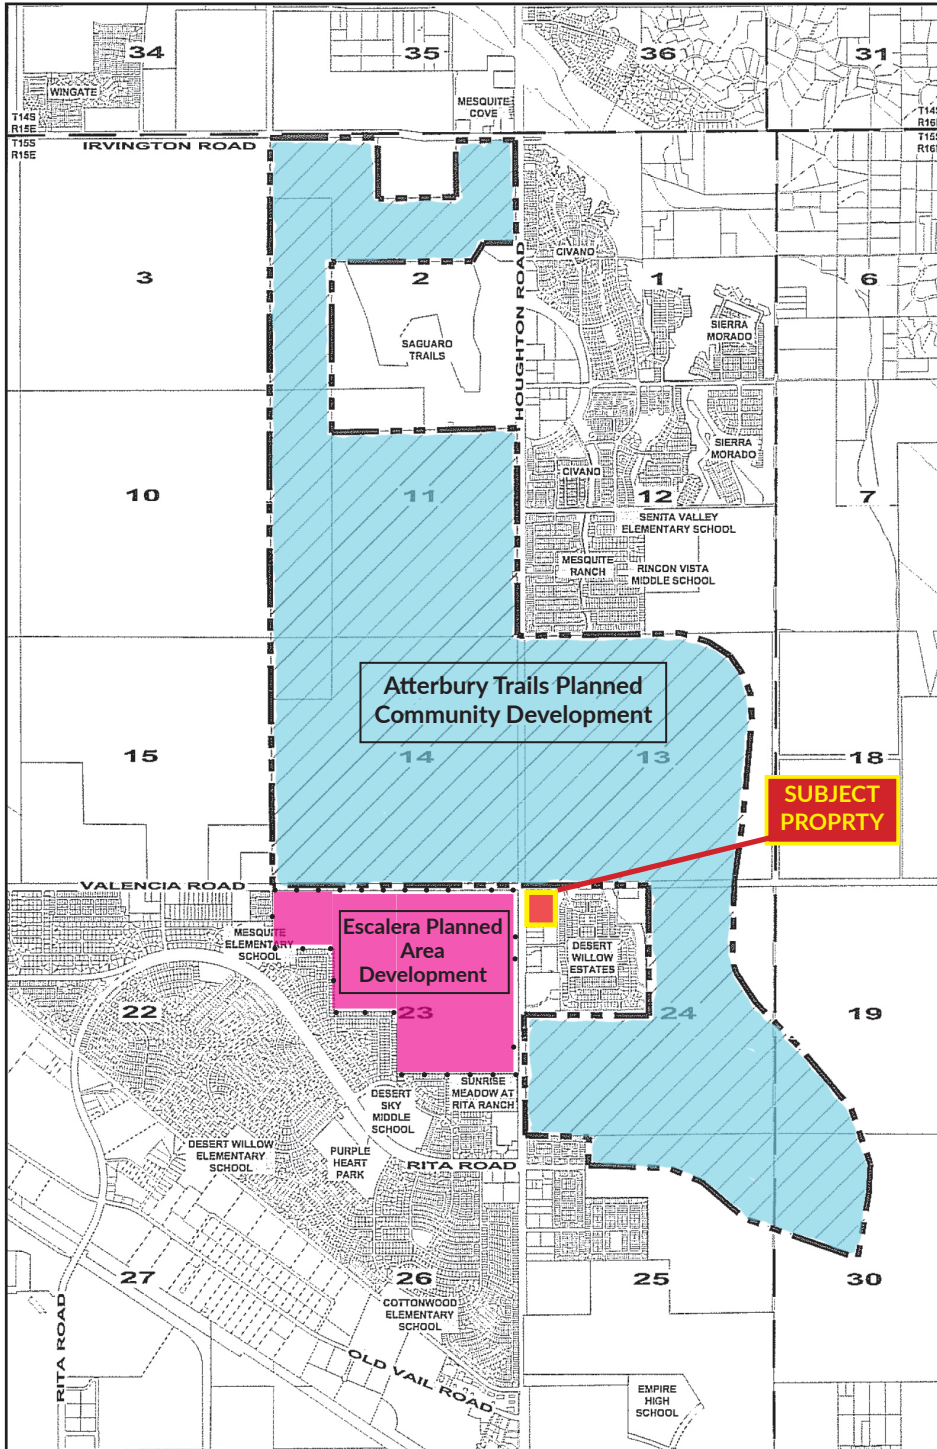

- 7,800 acres of Master Planned Land to be developed.
- 3 National Home Builders planning 1,000's of new homes.
- Located within the Vail School District, one of the highest performance school districts in Arizona.
- U of A Tech Park and Davis-Monthan Air Force Base with high profile employers in the area including IBM, Amazon, Target, Oracle and Raytheon.
- New Hospital under construction nearby.
- Mica Mountain High School opened fall 2020, 1/2 mile east of this center.
- Located on the main east/west and north/south transportation route,
- Easy access to I-10.
- Only privately owned C-1 zoned parcel at this intersection; other 3 corners are State Land.
- New Valencia bridge connecting to Old Spanish Trail makes easy access to and from all of the Rincon Valley.

Valencia Road Extension to Old Spanish Trail

- Population east of the Pantano Wash in 2019 was 18,532 in 6,828 housing units.
- Rocking K Ranch will be adding an additional 3,653 housing units during its construction phases.
- The Average Traffic on Houghton Road is 24,506 vehicles per day.

Nearby Neighborhoods and Future Development

This map shows how Houghton Crossings is centrally located to nearby neighborhoods and the future development of the Atterbury Trails Planned Community Development. The highlighted area is part of the 7,800 acre Houghton Area Master Plan that is being “hard zoned” by the City of Tucson and State Land Department. The zoning has been approved by the Mayor and City Council. They are working on infrastructure plans and once approved, portions of the 2,500 acres may start to be auctioned off.

In addition, Northwest Healthcare has constructed a 70 bed hospital near Houghton and Old Spanish Trail approximately 5.3 miles north. The hospital is offering a broad range of services designed to keep residents close to home. The hospital will have space to accommodate future growth and will employ more than 595 people.
