OPTIONS REAL ESTATE INVESTMENTS, INC Serving the real estate needs of Southern Dallas and Northern Ellis Counties

Options Real Estate was founded in October of 1991 as a full service commercial real estate company specializing in Southern Dallas County with one mission in mind: To make our neighborhoods and business owners better through the built environment. Our team believes in enhancing the quality of life and advancing the image of our area, in order to provide an enduring inheritance to our children and grandchildren.

We aim to build a community where residents can enjoy educational and employment opportunities that utilize the technologies of the 21st century, find cultural and spiritual fulfillment, and have a diversity of OPTIONS for shopping, dining, entertainment, or living.

Not only has our team done thousands of transactions over the years, but we've restored and built places like the Belmont Hotel, the Texas Theatre, various buildings in the Bishop Arts, Downtown Duncanville, surrounding Downtown Midlothian, Thorntree Country Club and much more. Through active participation in civic groups and community organizations, preservation, urbanism and environmentalism, we have done community development for profit.

SERVICES PROVIDED

Brokerage & Leasing

We buy and sell properties and offer short and long-term leases for many of the properties we own. This not only reduces up front costs for our tenants, many of which are small business owners, but it also lowers ongoing expenses and provides flexibility as their businesses grow.

Property Management

We provide professional property management that includes bookkeeping, maintenance, tenant finish out, real estate tax consulting, and value enhancement. We use our experience to help reduce expenses while maintaining properties for increased returns and maximized asset value.

Development

Whether you need designing, building, or financing, our team can help make your vision reality. Strong places are built with trust from the bottom up. It's a difficult work, but we know how to optimize your assets and maximize their value.

Information About Brokerage Services

Texas law requires all real estate licensees to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- Put the interests of the client above all others, including the broker's own interests:
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary: Must treat all parties to the transaction impartially and fairly;

- Must not, unless specifically authorized in writing to do so by the party, disclose:
- that the owner will accept a price less than the written asking price; 0
- disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

The broker's duties and responsibilities to you, and your obligations under the representation agreement.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for

you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
