FLEX LOFT CONDOS®

The depicted unit sizes are standard sizes. Four of the units are slightly different due to site plan layout.

** Prices can be reduced, if the Loft Area is eliminated.*

Ownership Benefits:

- Lower costs versus renting, and no future rent increases (see financial model – estimated, your actual may vary).
- Maximize tax benefits (consult your CPA).
- Asset on personal financial statement.
- Safe investment with potential value increase over time.
- Flexible design allows multiple uses should you rent your unit.
- Customize your space as you want (subject property covenants).
