

Little Falls Centre
Wilmington, Delaware

Class A Office
Presented by NAI Emory Hill

Property Features

Little Falls Centre consists of two, four-story serpentine shaped office buildings, **Little Falls One**, and **Little Falls Two**. Each building contains approximately 100,000 SF.

The exterior of the front of the buildings is a neoclassical façade of granite pre-cast and blue-green glass facing Wilmington, with a garden-like courtyard between the two buildings.

The exterior rear of the buildings is a curtain wall of semi-reflective blue-green glass facing the golf course.

The interior of the buildings are fully sprinklered with a smoke detection system, have 9' finished ceilings, parabolic lighting, and full height mahogany, and solid core doors with lever handles. Each building has a two-story marble lobby with revolving doors and mahogany and bronze trim, and are served by two high-speed elevators with custom cabs of wood and brass. There are on-site, uniformed security officers and electronic card-key access systems, as well as alarm monitoring systems.

Little Falls Centre is situated on Centerville Road near Lancaster Pike (Route 48), only minutes from downtown Wilmington. This location allows easy access to Philadelphia and the Baltimore-Washington area, as well as the New Jersey Turnpike. Amtrak service is nearby, and the Philadelphia International Airport is within easy driving distance.
