COMMENTS:

PROPERTY OVERVIEW

Presenting an exceptional opportunity, this ±16.9-acre property, located along Victorville's bustling Hesperia Road corridor, offers prime land ready for commercial development. Zoned General Commercial 2 (C-2T), the site is perfectly positioned to capitalize on the region's rapid growth and strategic location.

The parcels are situated within a dynamic industrial, commercial, and residential environment. To the east, the property is surrounded by major industrial users such as Coca-Cola, Nutro, Church & Dwight Co., Americold, and Goodyear, while the west features a mix of commercial and residential properties, ensuring significant traffic and visibility.

This site is ideally located to take advantage of several large-scale regional projects currently under construction or development, including:

Silverwood Community: A ±15,000 unit master-planned community in Hesperia, set to bring substantial new residential demand to the area.
Brightline High-Speed Rail: A transformative rail line connecting Southern California to Las Vegas, enhancing transportation infrastructure and connectivity.
Barstow International Gateway (BIG): A ±4,000-acre, integrated rail facility, featuring a rail yard, intermodal facility, and warehouses designed to facilitate transloading of international freight, further strengthening the region's logistics capacity.

This property is primed for development, whether for retail, office space, or mixed-use projects, given its strategic location along a major transportation corridor with strong industrial and residential growth nearby. Don't miss the chance to secure a stake in Victorville's bright future—contact us today for more details and to schedule a viewing of this rare, high-potential site.
