PROPERTY SUMMARY

EXECUTIVE SUMMARY

3939 White Plains Road offers a compelling mixed-use investment opportunity in the Wakefield section of the Bronx. This approximately 4,125 square foot mixed-use building features a ground-floor retail store and four residential apartments above, along with a finished basement that adds functional value and flexibility. Well-suited for investors seeking stable income, the property benefits from its prominent frontage along White Plains Road, a busy commercial corridor with consistent foot and vehicular traffic. Positioned in a densely populated neighborhood with strong demand for both residential and retail space, the building presents an attractive opportunity for long-term cash flow and value retention.

LOCATION OVERVIEW

Ideally located along White Plains Road, 3939 White Plains Road sits in the Wakefield section of the Bronx, a well-established, transit-oriented neighborhood. The property offers strong visibility and steady foot and vehicular traffic along a major commercial corridor lined with retail and service businesses. With close proximity to multiple bus lines and the 2 and 5 subway lines, the area is supported by a dense residential population, making it an attractive location for both commercial tenants and long-term investors.
