

North Florida Logistics Center

For lease

Breaking Ground Fall 2024

North Florida Logistics Center is an 816 acre, master planned, industrial development with the ability to accommodate over 3.7 million square feet of space. Located within one of Jacksonville's highest density areas for industrial labor, the park is adjacent to the Jacksonville International Airport and sits within a few miles of I-95 and I-295. Easy access to JaxPort makes it an ideal destination to distribute throughout the Southeast.
