About GCOM

"At the core, real estate is a people business and it requires trust in the competency and character of the professional who is representing their interest."

The richness of the connection with the people of Greensboro brings life and enjoyment to the process. In a commercial real estate transaction, one typically has only one chance to make it right. Having an experienced professional who knows the market and can navigate through the process can make all the difference in a strategic property investment or lease.

Pricing and figures shown are deemed to be reliable, but no representations or warranties are being made to the accuracy and is subject to errors and omissions, and changes of price or terms. Buyer or Tenant should verify all information.
