Costco, Trader Joes, Costco, Safeway, Ace Hardware, LA Fitness, AutoZone, CVS, Chick Fil A

ENVIRONMENTAL

- Owner recently completed voluntary clean-up of 91 tons of polluted soil behind the building from small dry cleaner contamination.
- A positive letter from the Department of Ecology confirmed soil extracted did NOT require special disposal based on contaminant levels.
- Department of Ecology informed the owner in 2017 that the site was contaminated and has not requested / determined if further cleanup is required - no cleanup mandate has been imposed on the owners to date.
- Indoor / Outdoor air sampling concluded no soil vapors are present.
- Phase 2 and details of clean-up process and outcome evaluation from environmental engineers is available.
- *Prospective buyers to review available environmental information and conduct independent due diligence. No representation or warranty is made regarding future requirements or determinations.*
