FORT WORTH/DFW INFO

Fort Worth is the fastest-growing large city in the U.S., surpassing 1 million residents and expanding nearly 10% in just the past few years. The broader Dallas–Fort Worth metroplex now exceeds 8 million people, fueled by steady in-migration, corporate relocations, and major infrastructure projects. Recent reports rank Fort Worth among the nation’s top cities for economic momentum, outpacing Dallas in new business formation and job growth. State and local leaders are investing billions in transportation and mobility upgrades, ensuring long-term connectivity and development capacity. This growth drives demand for healthcare, professional services, and quality office space, particularly in established submarkets like West Southwest Fort Worth. The city also benefits from a business-friendly environment and diverse economy, with strengths in aerospace, manufacturing, and logistics. Together, these factors create a robust, stable market ideal for long-term owner-users seeking to serve a rapidly expanding community.
