Offered for sale this occupied SRO building with a vacant garden level, configured as a church space with two bathrooms, two offices and backyard access. Built out larger than the footprint of the upstairs, this is an ideal commercial space in very good condition with access to the cellar below and mechanicals. The cellar has the new gas furnace and plenty of room for storage.

On the floors above you have 9 rooms, 7 of which are occupied, 2 vacant and 2 full bathrooms and a kitchen alcove. Currently, lower rents with paying tenants, provides lots of upside for the building.

Some TLC needed. Building sold without the Certificate of no harassment and subject to the occupancy of the 7 tenants.
