LOCATION OVERVIEW

7685 CRILE RD | CONCORD, OH 44077

Concord, Ohio is a rapidly developing township in Lake County, located about 30 miles northeast of downtown Cleveland. Known for its natural beauty, excellent schools, and quiet residential neighborhoods, Concord offers a high quality of life with the convenience of regional accessibility. Its strategic location near I-90 and State Route 44 provides easy access to the greater Cleveland area, making it an appealing destination for families, professionals, and businesses alike. As the population continues to grow, Concord has seen increased residential development, creating new opportunities and demand for commercial services. Residents benefit from local amenities such as parks, golf courses, and access to healthcare, but there is a growing need for additional dining, shopping, and professional services.

The commercial corridors along State Route 44 and I-90 are especially well-positioned for expansion, offering high visibility and strong traffic flow. The township's focus on planned growth ensures that development complements the existing community character. For commercial real estate developers and investors, Concord presents a promising landscape. With available land, flexible zoning, and a local government supportive of responsible development, the area is primed for retail centers, medical offices, mixed-use developments, and light industrial projects. The township's expanding population and strategic location provide a stable customer base and long-term growth potential. As Concord continues to evolve, it remains committed to smart development that enhances quality of life while creating opportunities for economic investment, making it one of Northeast Ohio's top emerging markets for commercial real estate.
