# Our Studio

Through our various fully-functioning, kitchen setups, the Nashville Kitchen Studio provides the perfect solution to help you achieve the vision for your project with accessibility and ease.

## Amenities

## Kitchen Set

A beautifully modern home kitchen setup with full working appliances and ample space for a wide range of food and beverage productions.

### Hair & Makeup

Our green room in the kitchen studio is perfect for all of your hair and makeup needs. With a closet rack, full length-mirror, and well-lit vanity stocked with basic toiletry items, you can have a designated space for talent to prepare for a shoot.

### Conference Room

Seats 10 people, zoom and video conferencing capabilities and able to patch in video signals from the studios.

### Prep Area

Great for assembling any meals or items needed for your shoot. This kitchen contains appliances from brands including Garland, Rational, Dean, Turbo Air, and more.
