Building and Monument Signage Opportunities

## Building overview

Turnkey direct entry first floor medical space with 5 exam rooms, 2 procedural rooms, recovery and lab area. Excellent monument and building signage opportunities (OSCI signage) with freeway visibility to I-270.

Building features on-site parking with direct entry into welcoming reception and waiting room with 24-hour access. Additionally, there is a separate exit for post-surgery with convenient patient pick-up. Building amenities include lots of natural lights, roof-top terrace and on-site Subway® restaurant.”

First floor built-out medical space is serviced by separate meters and tenant responsible for janitorial, electric and gas expenses.
