OVERVIEW

Discover the Indiana Design Center's showrooms, design professionals, artists and endless resources for residential and commercial interiors. There is inspiration at every corner. The Indiana Design Center welcomes design professionals and the public. The public is welcome to shop in all first floor retail showrooms. Many of the retail showrooms also offer in-house design services for the public. The public may shop the second floor to-the-trade showrooms with their own designer or refer to the Featured Designers page to see a listing of professionals with access to the trade showrooms.

For more information or to view a full directory of businesses, please visit INDIANADESIGNCENTER.COM

Concierge service is available to help visitors navigate the building and learn about its collection of design resources. Designer and Vendor Membership programs are available for trade professionals and information about membership opportunities is located at Concierge.

Retail Showrooms are located on the building's first level and to-the-trade showrooms are on the second level. Showrooms feature fine, traditional and contemporary residential and contract furnishings, fabrics, floor coverings, kitchen and bath products, lighting, and more.

Professional Design Services may be coordinated through the Designer-on-Call program where visitors can meet a professional who will acquaint them with the IDC and assist them in defining their needs during a complimentary 50 minute project consultation.

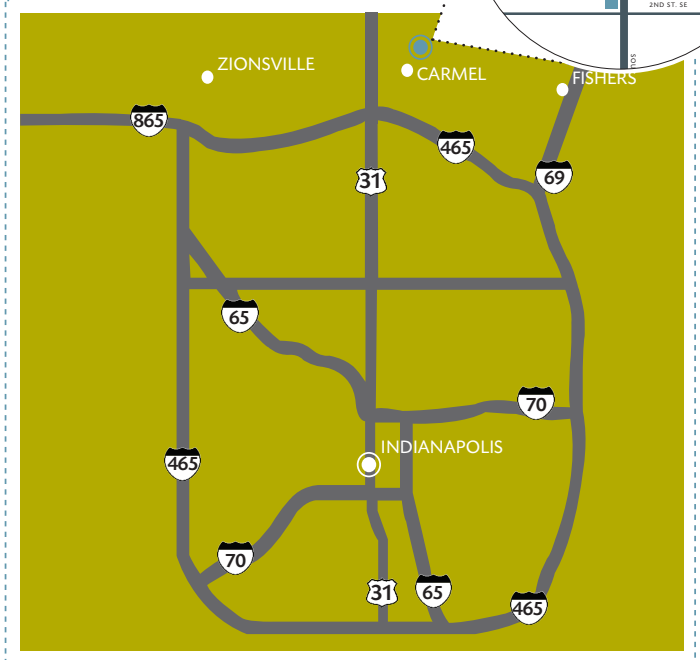

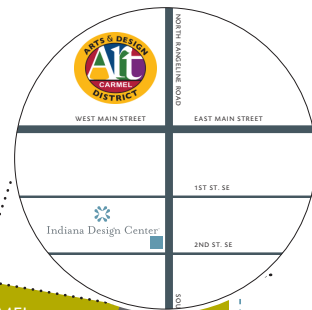

Le Peep offers a large selection of sweet and savory breakfast, lunch and brunch dishes. The café is open daily with indoor and outdoor patio seating.

Event Information is available on the IDC's online master calendar of design industry events and opportunities hosted at the IDC and across the state. Private event space is also available. Designer workshops are hosted for the public on the third Tuesday of the month at 10:30 a.m.

The Indiana Design Center is located in the heart of the Carmel Arts and Design District at 200 South Rangeline Road.
