# LEE + WHITE

## OUR HISTORY & TENANTS

929 LEE STREET + 1000 - 1070 WHITE STREET | ATLANTA, GA 30310 | [LEEANDWHITEATL.COM](http://LEEANDWHITEATL.COM)

# FROM WAREHOUSING DISTRICT TO ENTERTAINMENT DESTINATION

## REVITALIZING WHILE RECOGNIZING HISTORY

### Then and Now

Constructed in the 1950s and 1960s, the industrial buildings of Lee + White started out as bustling production, packaging and distribution facilities serving regional grocery stores. The rail line adjacent to the property was a major catalyst establishing Lee + White as one of Atlanta's most active warehousing districts.

Fast forward to 2013: a \$43-million grant is announced to fund the 3-mile Atlanta Westside BeltLine Trail. Completed in 2017, the paved multi-use pedestrian trail is a hub for recreation and exercise, also providing a direct entrance/exit at Lee + White.

Redevelopment of the property began in 2015 as part of an ambitious adaptive re-use project that soon attracted food and beverage tenants including Monday Night Brewing, Wild Heaven Beer, ASW Exchange, Honeysuckle Gelato and Doux South Pickles. Today, Lee + White is one of Atlanta's go-to entertainment destinations with an exciting mix of restaurants, breweries, distilleries, retailers, food manufacturers, event spaces and other businesses.

## THE TRANSFORMATION CONTINUES

Lee + White has emerged as one of Atlanta’s most exciting mixed-use destinations. The redevelopment of the West End community’s former “Warehouse Row” showcases a mix of cutting-edge breweries, restaurants, retailers and food manufacturers. Ackerman & Co. and MDH Partners are excited to begin the next phase in the transformation of Lee + White, a model of adaptive re-use development.

With a focus on contributing to the growth and energy of Atlanta’s historic West End, the next chapter in the Lee + White redevelopment will diversify the project’s offerings to further broaden its appeal. The next phase of the property’s transformation offers tenants the opportunity to be a part of new developments including a food hall, unique retail spaces and creative loft offices.

The ongoing redevelopment will continue in a spirit that recognizes the West End’s rich history while seeking community input to create an authentic urban experience. This development philosophy will expand an already diverse roster of tenants who are proud to be a part of the West End community and one of Atlanta’s trendsetting mixed-use developments.

Golda founder Melanie Wade debuted her family's kombucha recipe in 2013 at local farmer's markets and by 2017 Golda was sold in over 100 Kroger locations. Golda's kombucha taproom and brewery at Lee + White is the very first of its kind in Georgia and only the third in the southeast.

Operating a production facility at Lee + White, Honeysuckle Gelato sells its gelato at restaurants and local grocers across the Southeast. They also have brick-and-mortar locations at Ponce City Market in Atlanta, Optimist Hall in Charlotte and Pinewood Forest in Fayetteville, GA. Planned locations include Fenton in Cary, NC and Revel in Duluth, GA.

The Atlanta BeltLine Path Force is a dedicated unit of the Atlanta Police Department that patrols the Atlanta BeltLine's trails, as well as adjacent parks and neighborhoods.
