work + connect + grow

working from home can be counter-productive

Lack of Social Interaction

Unhealthy Work-Life Balance

Home-life Distractions

No Set Routine

Home Office Costs

Motivational Challenges

Summit provides you with an environment to focus on two of your most important assets: yourself & your business. At Summit, we're redefining the way to think about cowork with a mix of communal spaces, private offices, dedicated desks, on-demand conference rooms, & more. Enjoy a higher quality of work-life in the company of other exceptional members, & embark on your business journey with us.
