Tenant Overview

Spanish Schoolhouse is a Spanish immersion preschool dedicated to providing early childhood education while immersing children in the Spanish language. Their programs are designed to give children the gift of a second language during their optimal language learning years. Established in 2003, Spanish Schoolhouse has expanded to 18 campuses across the Dallas/Fort Worth and Houston areas. Their offerings include full and part-time preschool and kindergarten programs, as well as summer camps and after-school Spanish classes. The after-school programs are tailored for elementary-aged students (K-5) and are conducted entirely in Spanish to enhance language acquisition.

About Johnson Development

Johnson Development is one of the nation's premier real estate developers, with over 50 years of proven success in creating award-winning, master-planned communities across Texas and beyond. Founded in 1975 by industry legend Larry D. Johnson, the company has developed over 45,000 acres and delivered more top-selling master-planned communities than any other U.S. developer in the past decade.

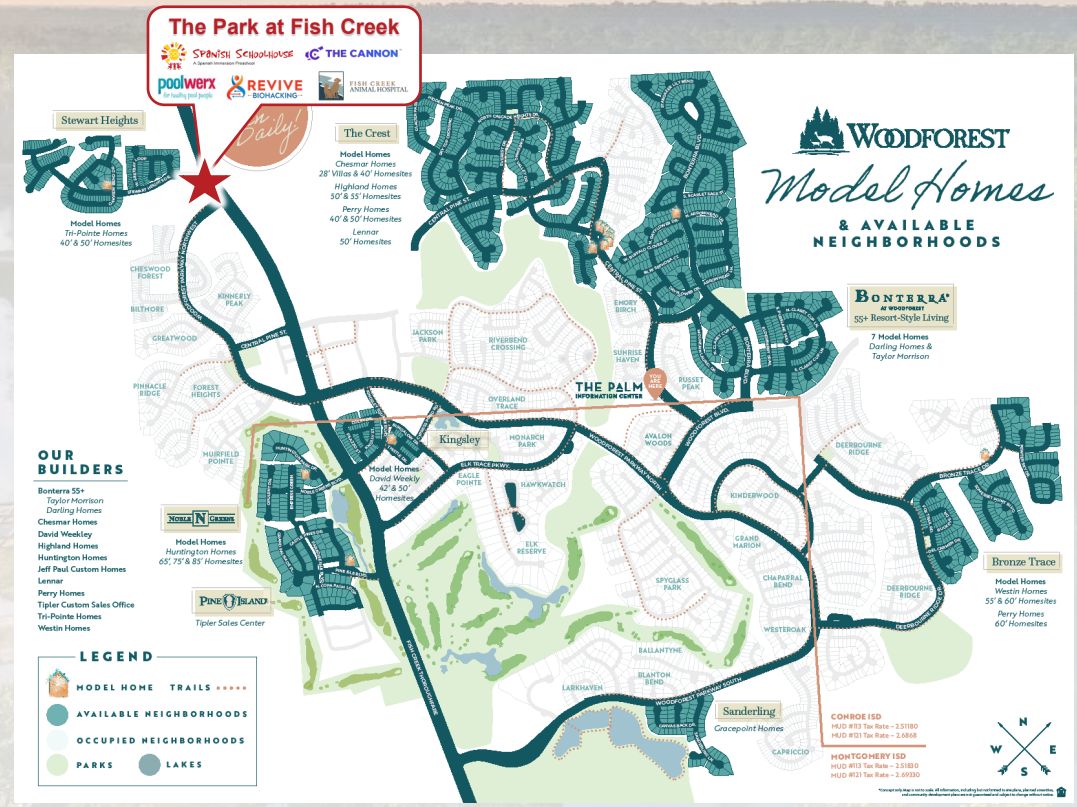

Known for its strategic land planning, vibrant amenities, and commitment to community lifestyle, Johnson Development has shaped iconic neighborhoods like Sienna, Riverstone, Silverlake, Cross Creek Ranch, and Woodforest—each designed to elevate quality of life for residents and generate long-term value for investors and homebuilders alike.

Driven by a legacy of innovation and stewardship, Johnson Development continues to thrive under experienced leadership while maintaining deep ties to local communities. With a focus on location, quality schools, abundant green space, and resident engagement, every project is designed to foster connection and sustainability. The company has been repeatedly recognized as a top workplace and trusted development partner, making it an ideal choice for investors, builders, and municipalities looking to bring high-quality, thoughtfully designed communities to life.
