Water and Sanitary:

Water - there is an existing 12-inch at the Demorest Road/Black Pine Drive intersection.

Sanitary – existing 12” sewer to the west, however it may be outside of the tributary area servicing the property, which would require a discussion with the City. The sewer is also on the high side of the property, which could pose problems for gravity service. The sewershed (SS40) for this property drains to the east. There is an existing 8” sewer at the corner of Demorest Road/Black Pine Drive and would need to check depth and capacity for a connection. The larger sewer is a 30-inch (Sewer Atlas 111 – RP 16408), which is likely what this property is tributary too. So (3) potential options:

- 12-inch west – outside of the tributary and upstream, would need a depth and capacity study to make an argument to break tributaries to the City of Columbus.
- 8-inch at Black Pine – inside the tributary, an 8-inch line - would need a depth and capacity study.
- 30-inch – back yards of Sky Valley Drive to the east. This is the sub-trunk sewer that likely is designed to service this entire area.

Site Details & Area Information

The Site is located within Jackson Township in Franklin County, Ohio, and is contiguous to City of Columbus making the site ideal to be annexed and zoned for a multifamily development.

The parcel is 19.926 acres where the Seller will retain the northern portion and is offering the southern 11 +/- acres available for purchase.

Water and sanitary are in the immediate area and there are several potential scenario for getting sanitary service to the site.

There are several recent rezonings for AR-1 zoning in the City of Columbus in close proximity to this site.

- 2005 Demorest Rd, 0.45 miles to the north of this Site, was recently rezoned to AR-1 in the first half of 2024 providing 166 dwelling units, 18.89 units per acre on an 8.79-acre tract. The site is City of Columbus with South-Western CSD. [Rezoning Ordinance](#) and [Council Variance](#)
- 2195 Holt Rd, 0.41 miles northwest of this Site, was recently rezoned to AR-1 in the first half of 2024 providing 360 dwelling units, 19.88 units per acre on an 18.11-acre tract. The site is City of Columbus with South-Western CSD. [Rezoning Ordinance](#) and [Council Variance](#)

It would need to be confirmed, but I believe after the site is annexed to City of Columbus, it would remain South-Western CSD. The site would likely continue to have a Grove City, OH 43123 mailing address.

The site is less than a mile drive to South-Western Central Crossing High School, Pleasant View Middle School for 7th and 8th graders, Holt Crossing Intermediate School for 5th and 6th graders, Bolton Crossing Elementary and South-Western Career Academy.
