ZONING

823 S Main Street is zoned DF and the three additional lots are all zoned DM.

CITY OF BROKEN ARROW ZONING ORDINANCE

D. Downtown Mixed-Use Core District (DM)

The DM district is intended to provide for and encourage development and redevelopment that preserves and enhances the unique character and vitality of the Broken Arrow downtown. Small-scale offices, retail, and upper-story residential uses are allowed. Design standards focus on creating a human-scaled, pedestrian-oriented and walkable downtown that invites commercial development and complementary residential opportunities. Continuous retail frontages, largely uninterrupted by driveways and parking, are encouraged.

E. Downtown Fringe District (DF)

The DF district is intended to apply to those areas within the Downtown Core Area but outside the DM district. DF district uses may have a similar form, density, and height as DM areas, but typically generate a lower intensity of activity, both vehicular and pedestrian. Commercial, office, and residential uses are allowed on all floors in the DF district. Uses within the DF district are subject to additional design considerations, since they abut residential neighborhoods in many cases.
