

## Property Details:

The main floor is approx 1400 square feet with a kitchen area and a bathroom and shower. The property has a garage out back and plenty of parking with nice alley access. Lots of room for future expansion. The lower level can be remodeled to turn it into offices or 2 apartments. Each area of the building has its own electric and gas meter and separate entrances. The apartment upstairs is one bedroom on bath approx. 700 square feet and has its own private outside entrance. I have been getting \$1800.00 per month in rent for the entire building. The property is located on Dakota Ave downtown Hayward WI. Dakota Ave is one of the busiest streets in the City of Hayward just one block west of the Main St. The building was built somewhere around 1905, and the additions were added in 1974.
