Local Area Overview | Demographics

Fresno, located in the heart of California's Central Valley, is the fifth-largest city in the state and serves as the economic and cultural hub of the San Joaquin Valley. The city is known for its rich agricultural history, being a major producer of grapes, almonds, citrus, and other crops, supported by the surrounding fertile farmland.

Fresno has a diverse economy that extends beyond agriculture to include healthcare, education, government, logistics, and manufacturing. Major employers include Community Medical Centers, California State University, Fresno (Fresno State), Amazon, and Pelco. The city's strategic location between Los Angeles and San Francisco, with access to major highways (Highway 99, Highway 41, and Highway 180), rail, and air (Fresno Yosemite International Airport), makes it a key distribution and logistics hub.

Fresno continues to grow with investments in infrastructure, housing, and downtown revitalization efforts, making it an increasingly attractive location for businesses and families alike.
