

to, — BUILDING

This architectural floor plan depicts a building with a complex internal layout and a defined site context. The building's overall dimensions are 100'-0" wide by 54'-4" deep. The site is bounded by a "10' - BUILDING" line on the left and a "BUILDING LINE" on the right. Fire lanes, labeled "FIRE LANE - NO PARKING", are shown along the top and right sides of the property. A "PROP. BUILDING LINE" is also indicated on the left. The building's footprint includes a "WAREHOUSE 10' x 28'" on the left, a "TRUCK WELL" on the right, and a central core of offices and support spaces. The internal layout features a "RECEPTION" area, a "CONFERENCE" room, a "COPY/FAX" room, a "RESTROOM" (MEN/WOMEN), a "BREAK" room, and several "OFFICE" spaces of varying sizes. A "VP OFFICE" is located near the bottom right. The plan also shows a "STORAGE" area, a "MAIL" room, and a "WASH/REST RM". Dimensions for individual rooms and corridors are provided throughout the plan. A north arrow is located in the bottom right corner of the drawing.
