Details:

This flexible building has both office and shop/warehouse space. Situated on 13.39 acres in the small town of Twelve Mile, Indiana, this property offers an exceptional location for regional business operations. It is conveniently located near Peru, Rochester, and Logansport, with easy access to numerous Indiana State Highways, including nearby U.S. 31, a four-lane highway providing direct connectivity to Indianapolis, South Bend, and Grand Rapids, Michigan. The building is well suited for businesses serving the Great Lakes and Upper Midwest regions, featuring two large extra-high entry doors on the west side to accommodate agricultural and construction equipment. An efficient, open interior layout allows for multiple uses, while ample land provides room for future building expansion and parking. The structure includes a durable steel roof, covered exterior storage space, and is located within the Cass County Gateway Business District. Additionally, the property offers 704 square feet of air-conditioned office space, enhancing its functionality for a wide range of commercial or industrial needs.
