VENICE BOULEVARD

Los Angeles, California

Located along the highly visible Venice Boulevard corridor in Mid City, 5363-5373 Venice Blvd presents a rare opportunity to acquire a fully improved automotive property which is currently used as an auto body shop with an existing permitted paint booth and a mechanic shop. Ideal for collision repair, auto body, paint, mechanic shop, or specialty automotive users, the property offers excellent street frontage, strong traffic exposure, and long-term value in a market where automotive properties with existing paint booth infrastructure are increasingly difficult to replace. The property suits itself well for an owner/user or an investor.
