- Shoppes at Rivercrest is strategically located to command the customer base from the northern half of Hickory and extending 15 miles to the north. In addition to producing a majority of the US made furniture, 40% of the world's fiber optic cable is currently produced in Hickory, and both Google and Apple recently developed large-scale data centers in the Hickory MSA.
- The shopping center is anchored by Wal-Mart's large proto-type supercenter, 184,211 square feet.
- Caldwell's UHC Center is optimally located on the outparcel in front of the center with ample opportunity for additional outparcel tenants.
- Less than one mile north on Highway 321 there is a sixty-six-unit Multi-Family development going in.
- Highway 321 and Alex Lee Boulevard intersection which is south of our center being re-worked by NCDOT based on growth Manufacturer's Outlets and local factories such as Century Furniture
- Large UNC Health facility directly across from project bringing daily traffic
