Location Overview

Strategically positioned near the signalized intersection of River Road N and Manbrin Dr NE, this 0.80-acre property occupies one of Keizer's most prominent commercial corridors. With dual frontage and full access from both River Road N and Cherry Avenue NE—totaling over 320 feet of street exposure—the site offers exceptional ingress and egress, a rarity in today's urban landscape.

The property is zoned CMU (Commercial Mixed Use), making it highly versatile for retail, office, or redevelopment scenarios. It currently features an 8,840 SF restaurant building, JC's Pizzeria, with ample onsite parking exceeding minimum code requirements. The corner lot benefits from strong traffic counts (27,921 vehicles/day on River Road) and is surrounded by a healthy mix of commercial, residential, and institutional uses. Its proximity to major retail hubs such as Keizer Station and its visibility along the city's main arterial make this an unmatched opportunity in one of Oregon's most supply-constrained submarkets.
