MARKET STREET BUSINESS PARK

THE PROPERTY

Market Street Business Park is an infill multi-tenant industrial park offering suites ranging from 600-15,000 SF of space across six buildings. The Park provides easy access to major thoroughfares of I-610 (0.9 Miles) and I-10 (0.5 Miles) by way of Market Street and Mercury Drive.

The park is professionally owned and managed by Pagewood. Significant capital improvements have been completed , including:

- Concrete repairs throughout the site
- New roofs installed and roof repairs completed on all six buildings
- New speculative improvements completed in vacancies, including new rollup doors, AC units, lighting, office & restroom finishes and metal framing, throughout the park
- Substantial improvements completed at 10205 Market Street, a single-tenant 14,500 SF opportunity, including:
 - Exterior building improvements completed including new metal framing and new paint
 - Spec office finishes and new lighting throughout, including a second floor of office plus mezzanine level in the warehouse
 - Concrete repairs completed in the dedicated yard and truck court
- New project branded signage installed throughout
