

2903 SACRAMENTO STREET, BERKELEY

3-unit mixed-use building consisting of $\pm 1,094$ sq.ft. house, $\pm 1,718$ sq.ft. office, ± 832 sq.ft. of additional commercial space.*

The office space was remodeled in 2002 and features four separate rooms - currently leased to therapists on short term leases. Also included is a spacious reception area, kitchenette, ADA-accessible bathroom, exterior wheelchair lift, and side yard with patio.

The residential unit is 2BD/1BA with detailed hardwood floors, in-unit laundry, and vinyl dual-pane windows throughout.

The third unit (commercial) will be delivered in shell condition and has a variety of potential commercial uses allowed under Berkeley's C-SA zoning district.**

Included in the sale are preliminary draft plans to add 3 additional therapy rooms to the current office suite - and build out the third commercial unit into a 6 room therapy suite.***

Offered at \$1,550,000
