MISSION BAY

San Francisco's Mission Bay neighborhood is quickly emerging as one of the City's most popular neighborhoods for housing, recreation, services and employment. Anchored by the UCSF Mission Bay Medical Campus and the Chase Center (home of the Golden State Warriors), Mission Bay enjoys local, regional and national visitors throughout the year.

Mission Bay is a relatively new neighborhood with modern buildings, and it continues to grow with new development projects underway and new people moving into the area. A technology and medical hub, companies such as Dropbox, Bayer, Uber, and Bristol-Myers Squibb have a home in the neighborhood. With access to MUNI, parking, and a CalTrain stop right in the neighborhood, it's an easy stop for commuters and visitors alike.
