the advantage

- Delivered in Q4 2024, this build-out-ready building has been designed with the flexibility to cater to manufacturing, cold storage, and/or distribution users.
- Delivered in shell condition with allowances available for Tenant Improvements if leasing is desired.
- Building is located within the "GRAD Certified" Elberton Industrial Park, which is home to: Bubba Foods, Mollertech South and Hailo Wind Systems USA.
- Elbert County is a Tier 1 job tax credit community, offering up to \$4,000 per job created along with other aggressive incentives.
