OFFERING OVERVIEW

The Finem Group at Meybohm Commercial is pleased to exclusively present 10352 Atomic Road in North Augusta, South Carolina for lease. This industrial/flex building totals approximately 13,120 square feet across two connected warehouse structures.

The primary building, facing Atomic Road, includes ±5,000 SF of space with offices, showroom, kitchen, and storage rooms. The front building also has ±4,600 SF of warehouse space, making it ideal for businesses that require both customer-facing and back-of-house functions. The secondary building, attached to the warehouse, offers ±3,360 square feet of warehouse space suitable for equipment storage, vehicle parking, or overflow inventory.

The site spans ±0.98 acres and is zoned TC - Thoroughfare Commercial, allowing a wide range of commercial and light industrial uses. The property is accessible via Atomic Road, which sees an average of 5,000 vehicles per day, providing visibility and steady drive-by exposure. A loading ramp supports freight movement, accommodating users with mid-sized logistics or operational needs.

Located just two miles from I-520, the property connects directly to the Augusta, GA metro area and the broader Central Savannah River Area (CSRA). This prime positioning offers strategic access to regional transportation infrastructure, including proximity to the Augusta Regional Airport and multiple industrial corridors serving Eastern Georgia and Western South Carolina.

The building's layout, paired with its strategic location, makes it an excellent option for service contractors, light manufacturing users, or small distributors seeking to establish or expand their presence in a growing market.

LOCATION OVERVIEW

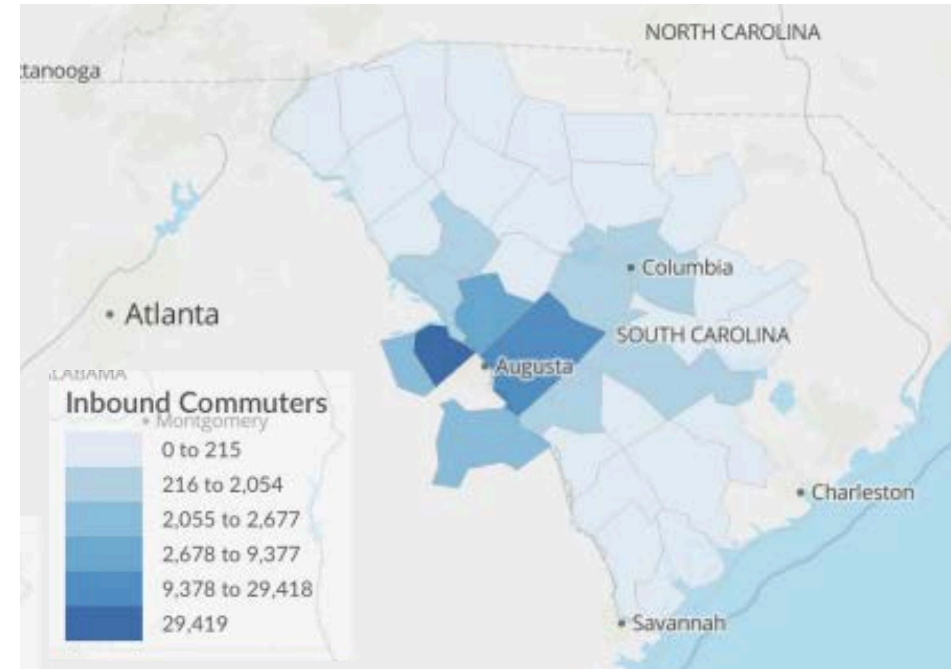

WORKFORCE

Augusta is a regional center of medicine, biotechnology, and cyber security. Augusta University, the state's only public health sciences graduate university, employs over 7,000 people. Along with University Hospital, the Medical District of Augusta employs over 25,000 people and has an economic impact of over \$1.8 billion. Within the next few years, the city is expected to have rapid population growth of 10,000+ residents due to the announcement of the United States Army Cyber Command that will be located in Fort Gordon.

The city's three largest employers are Augusta University, the Savannah River Site (a Department of Energy nuclear facility), and the U.S. Army Cyber Center of Excellence at Fort Gordon, which oversees training for Cyber, Signal Corps, and Electronic Warfare. Other Companies with headquarters or distribution centers in the CSRA are but limited to, EZ-Go, Bridgestone, Tax Slayer, John Deere, Amazon, Kellogg's Kimberly Clark, Graphic Packaging International, and more.

“Georgia earned a No. 1 ranking for the 14th year in a row for its nationally recognized workforce development program -- Georgia Quick Start -- in addition to a No. 1 ranking for competitive labor market.”

48,779 individuals commute into Richmond County on a daily basis with an outbound total of 18,225 individuals, meaning there is substantial potential for capturing quality labor currently leaving the county.

WHY? CSRA

OVERVIEW

Augusta is in a perfect phase for business. Right-sized, ideally strategically located, with a backbone of education, medical, and military pumping out a solid labor force, the city has become a beacon for companies to set up shop. **Infrastructure, labor force, cost of living, location, education, industry- they are all leading companies large and small to Augusta.**

HOME OF THE AUGUSTA NATIONAL

Year after year during the first full week of April, golf fans descend on Augusta by the thousands. The annual event marks a boom for the local economy with over 200,000 average attendees. Augusta is known as the golf capital of the universe for good reason, and the love of golf extends well beyond the confines of Augusta National. It attracts politicians, athletes, musicians, Corporate CEOs, and many more which brings some of the world's most powerful people all in the same week to Augusta, GA.

A WELL CONNECTED CITY

Few places are as ideally located as Augusta. The city sits on I-20 between Atlanta (eastbound) and Columbia (westbound), with every major artery of Southeastern Interstate within easy reach, especially I-95 and I-77.

Augusta is less than 150 miles from the Ports of Savannah and Charleston.

Augusta's regional airport has direct flights to Atlanta, Charlotte, Washington DC, and Dallas.

CYBER CITY

The Augusta Region has long been a hotbed for the tech- and cyber-related companies such as Unisys, ADP, and Raytheon. Now, Augusta is home to the US Cyber Command at Fort Gordon and the newly completed Georgia Cyber Center, a \$100 million investment and the largest government cybersecurity facility in the United States.

U.S. Army Cyber Command (ARCYBER) is the Army headquarters beneath United States Cyber Command.

HEALTHCARE

Augusta University is Georgia's health sciences university, offering resources and services for those throughout the state and beyond. It features the Medical College of Georgia, the Dental College of Georgia, and a highly sought-after nursing program.

There are 12 total Hospitals in the area with a brand new one being constructed.

Doctor's Hospital in Augusta is the largest burn center in the United States and the third largest in the world.

LOW HOUSING COSTS

One of the biggest jewels in Augusta's crown is our low housing cost. Here, a broad variety of options are available, encompassing everything from new TND neighborhoods to established communities of antebellum and craftsman style homes.

Our market is more than 50% less than the national average, complementing the low cost of living and doing business in Augusta.

THE PORT OF SAVANNAH

PORT OF SAVANNAH OVERVIEW

The Port of Savannah is one of the most critical logistics hubs on the U.S. East Coast, offering direct access to major transportation networks, including railways and interstates. Over the past decade, the Port has grown over 90% with layers of continued expansion capability. Its strategic location and status as the largest single-terminal container port in North America make it a key asset for industrial users, particularly those involved in manufacturing, distribution, and e-commerce. The port's capacity to handle high volumes of cargo efficiently helps industrial businesses reduce shipping costs and improve supply chain reliability, making it an attractive area for warehouses, distribution centers, and manufacturing facilities.
