**Village at Valley View** is a professional two story, Class B office building located in the West Central submarket of the Las Vegas Valley. Built in 1992, the building is multi-tenant office building with most of the tenants accessing the property by a central interior lobby with common area restrooms, elevator, and stairwell. There are also a few tenants/units that are accessed directly from the parking lot, like garden style buildings. Property provides excellent curb appeal with mature, well-maintained landscaping. There is plenty of parking, both reserved/covered and uncovered. The property also has good frontage on Valley View that gives the center easy access and great visibility from drive-by traffic. The property is centrally located and minutes from the I-15, US-95 and Las Vegas Blvd. There are no additional CAM charges and HVAC maintenance is included in the lease rate.
