CAPITAL INFUSION

\$10,000 - \$250,000

AltCap provides loans to small businesses ranging from \$10,000 - \$250,000 through a variety of loan products designed to help entrepreneurs that are often overlooked. We don't get hung up on credit scores and tailor every loan to your unique needs. There are specialty funds available to service artists, veterans, BIPOC-owned businesses, and women-owned businesses. Revenue-based financing is also available.

COMMUNITY

We are bringing together a community of small business owners that are growing their businesses. Through mentorship, masterclasses, and educational speakers, we provide training on a regular basis inside of Elevator's community.
