PROPERTY INFORMATION

Mixed -Use Investment Opportunity

A rare opportunity to purchase two adjacent mixed-use buildings featuring commercial storefronts and residential apartments. This property offers multiple income streams with long-term upside through lease escalations and continued residential demand.

This well-maintained mixed-use investment provides immediate cash flow from six occupied units while benefiting from contractual rent escalations in the commercial lease. The combination of commercial and residential tenants creates a diversified income stream that appeals to both private investors and 1031 exchange buyers seeking stable returns.

Investment Highlights

- Two mixed-use buildings offered as one investment
- Six total income-producing units
 - 2 Commercial Spaces
 - 4 Residential Apartments
- 100% occupied with established commercial and residential tenants
- Diverse tenant mix providing stable income
- Recently executed commercial lease with annual rent increases
- **Attractive 10.0% Cap Rate**
- Excellent value-add and long-term investment opportunity
