Opportunity Zones

Durham Opportunity Zone Locations

The Opportunity Zones program, created by the Tax Cuts and Jobs Act of 2017 (H.R.1), encourages qualified investors to make long-term investments in low-income communities across the U.S. This program aims to stimulate economic growth by offering tax incentives to investors who reinvest their unrealized capital gains into Opportunity Funds.

Investment Incentives include:

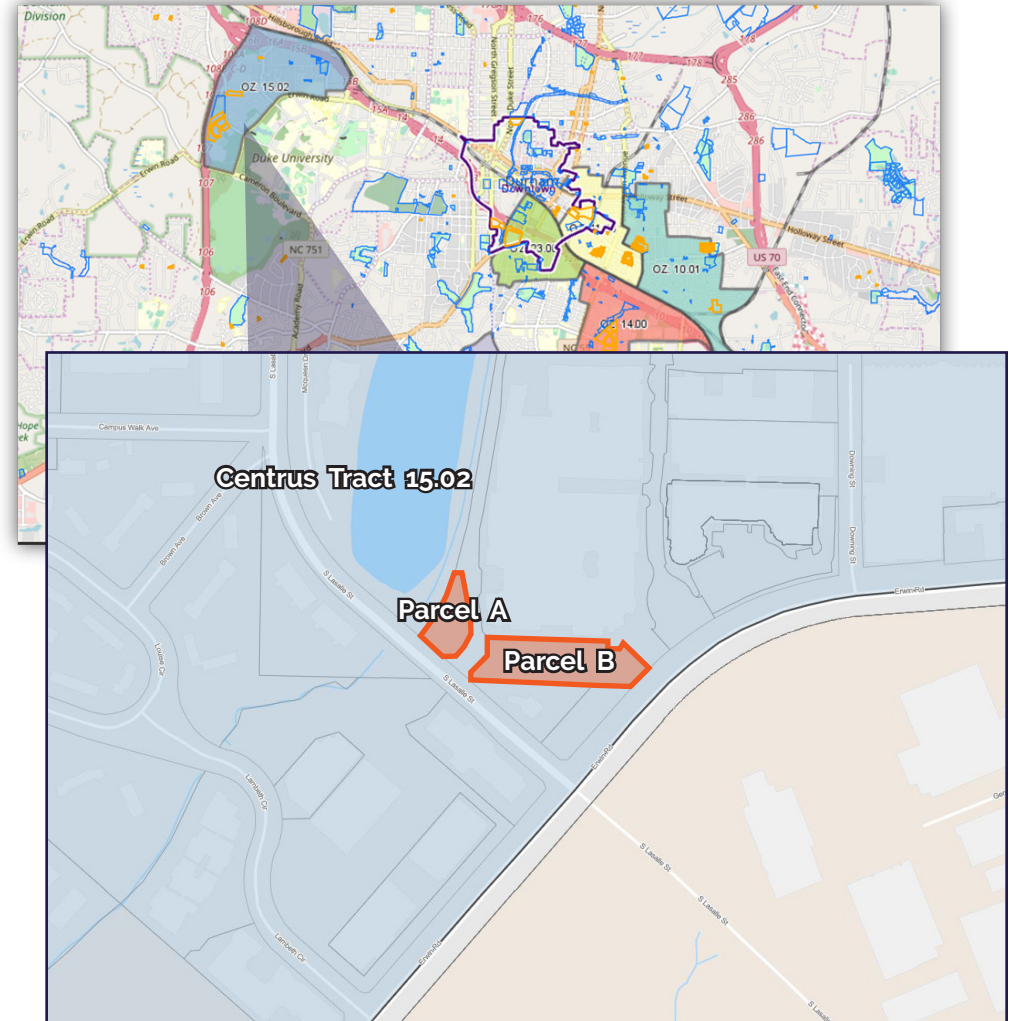

- A temporary deferral of taxes on capital gains invested in Opportunity Funds.
- A 10% basis increase for long-term capital gains reinvested in the Opportunity Fund.
- A permanent exclusion from taxable income of long-term capital gains.

In Durham, the U.S. Department of Treasury has designated (7) seven census tracts as Opportunity Zones

According to the North Carolina Commerce, the Opportunity Zones program intends to focus on encouraging job creation, economic activity and housing and other community investments.

New Unified Development Ordinance

After the City of Durham and Durham County adopted their new Comprehensive Plan in October 2023, Durham’s Planning Department turned its focus on implementing the plan’s goals and actions by proposing changes to the Unified Development Ordinance (UDO). The UDO is a legally binding set of regulations that governs how land development is permitted in both the City and County.

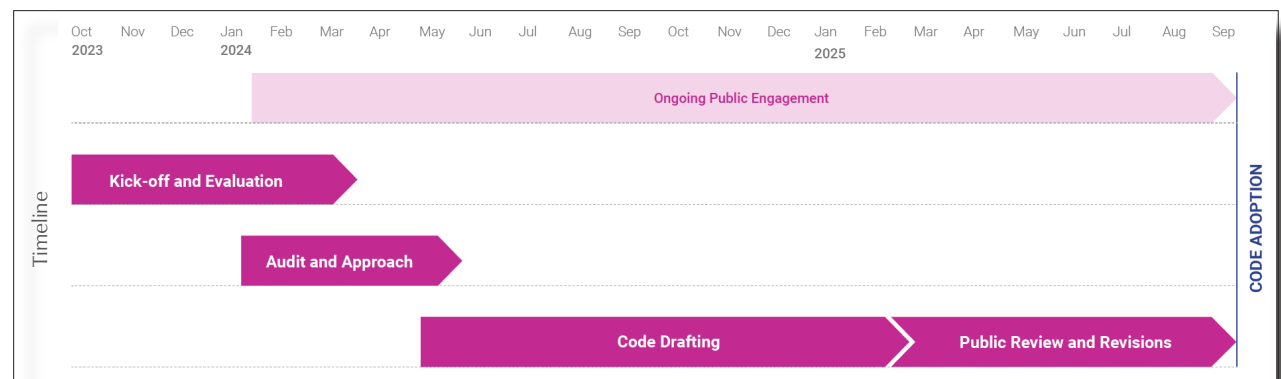

A team of consultants, led by Code Studio, has been hired to assist with this project. It is anticipated that preparing the new UDO will take approximately a year and a half before the public hearings and adoption process begins. A separate community consultant was hired to collaborate with staff and Code Studio, specifically to ensure equitable engagement and outreach to historically underrepresented communities.

Zoning

CURRENT ZONING

MU(D) - Mixed Use District

The MU District is established to provide innovative opportunities for an integration of diverse but compatible uses into a single development that is unified by distinguishable design features. In addition to a mixture of compatible uses, development in this district shall provide amenities, walkways and open space to increase pedestrian activity, decrease reliance on individual vehicles, foster transit usage, enhance the attractiveness of Durham City and County, improve the overall quality of life, and provide for the welfare of the citizens.

PROPOSED ZONING

TOA- Transit Opportunity Area

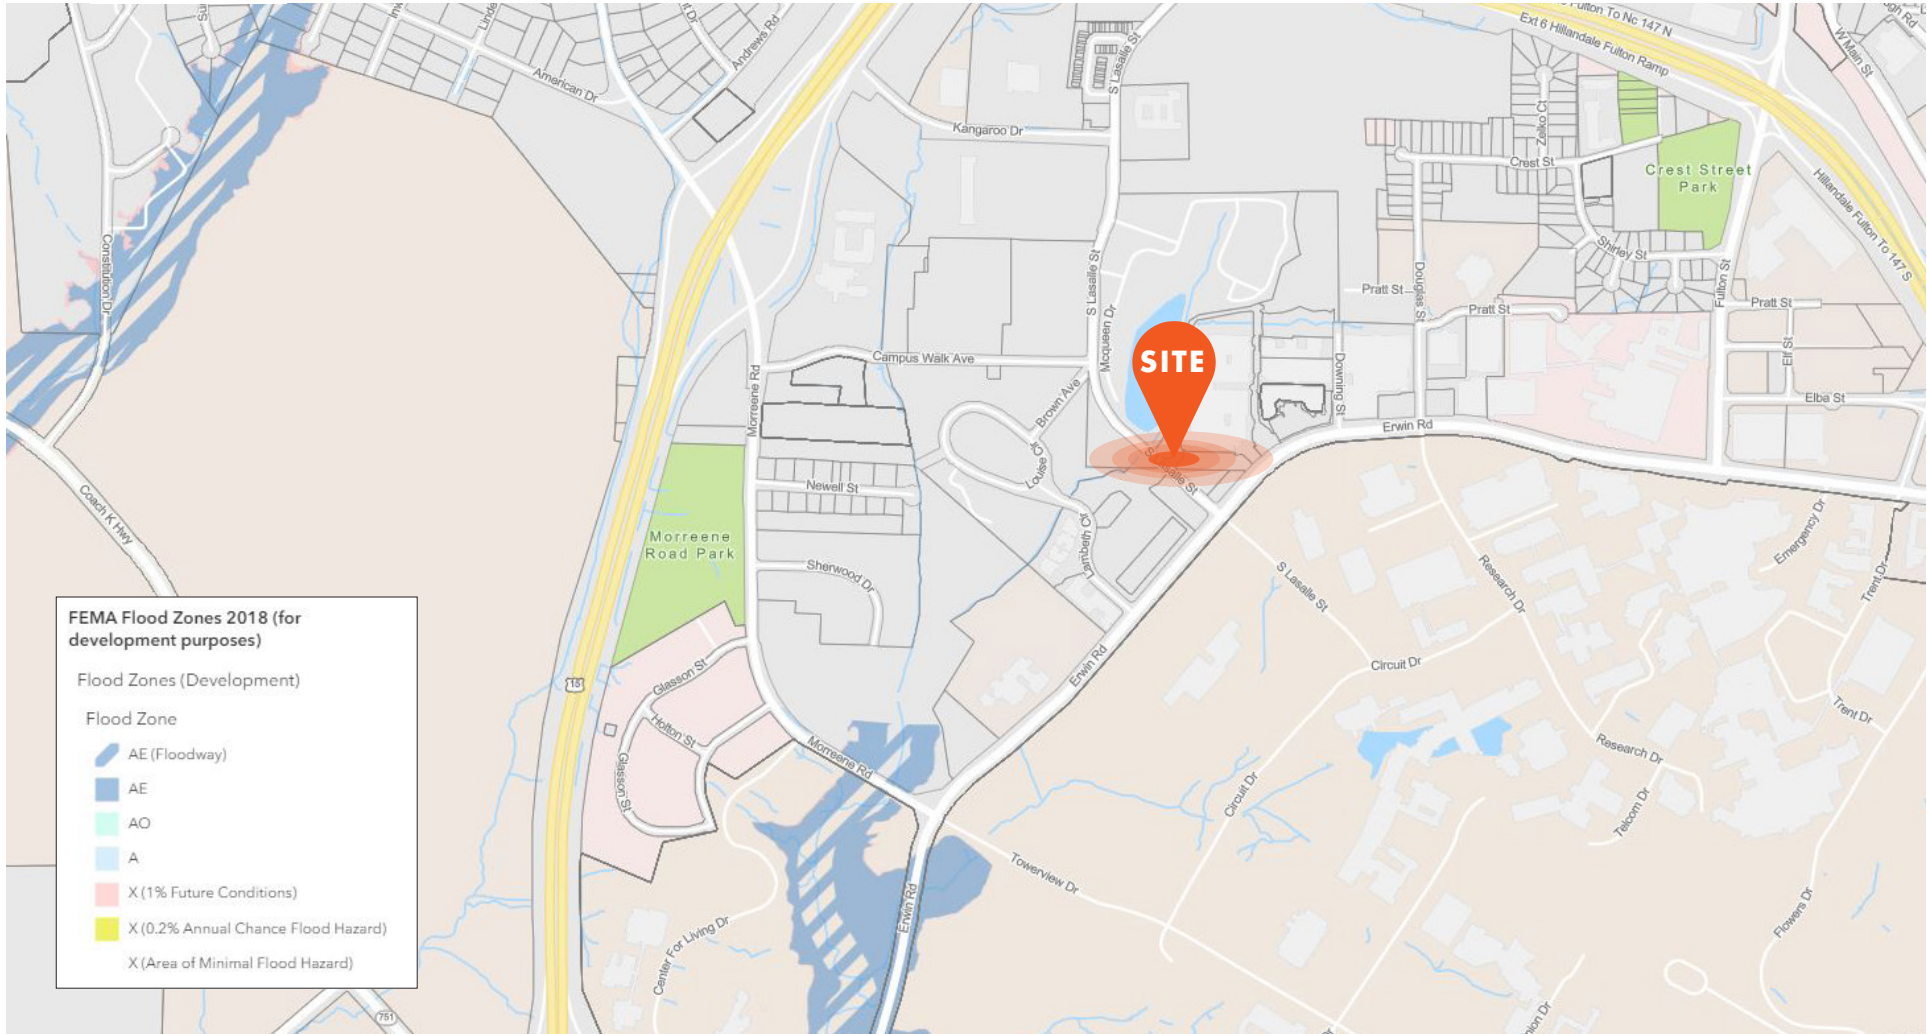

Transit Opportunity Areas are moderately-sized places found throughout our community at the junction of major transit stops with development that supports the use of transit as a primary mode of transportation. The design of these areas is focused on moving people rather than moving vehicles, with infrastructure to support and encourage safe walking, biking, rolling and riding transit. Buildings are located close together, with a mix of uses, easy access to the street, integrated with public green spaces, and designed to serve the daily needs of residents. A high concentration of restaurants, pharmacies, community centers or stores are located on the ground floor with housing or offices on upper floors.

Duke University is a private research institution located in Durham, North Carolina, originally founded in 1838 by Methodists and Quakers. It moved to Durham in 1892 and was renamed in 1924 after receiving an endowment from industrialist James Buchanan Duke, who named the university in honor of his late father Washington Duke. The campus spans over 8,600 acres and features notable architecture, including the Gothic-style West Campus and Georgian-style East Campus. Known for its highly selective admissions, Duke University is a major research hub, spending over \$1 billion annually on research.

Proximity Map

Proximity to Downtown Durham

A mix of history, creativity and modern flare Downtown Durham is only a 9 minute drive from Erwin Road and S LaSalle Street.

Durham is continually recognized for its diversity in its communities, retailers, restaurants, events and more. Home to the Durham Bulls, Durham Performing Art Center, Carolina Theater and the Museum of Life & Science, Durham hosts close to 5,000 events a year.

Duke University News

[Durham hospital named among best in U.S.](#)

Duke University Hospital in Durham is the top hospital in North Carolina, according to the latest hospital rankings from U.S. News & World Report. In addition to topping the publication's ranking of the best hospitals in the state, Duke Health's flagship hospital was also considered one of the best in the nation.

[Duke reveals 'Devils Deck' at Wallace Wade Stadium](#)

Duke University is unveiling a new gameday experience at Wallace Wade Stadium this season called the Devils Deck. The all-inclusive area is designed for individual fans and groups and is devoid of reserved seating. The free-flowing Devils Deck, spanning seven sections of the stadium's north end zone, will feature corn hole games, lounge furniture, and a rotating cast of in-game DJs at the heart of the space.

[Duke easily tops UNC, NC State for employee pay](#)

Duke University has the highest pay among colleges and universities in North Carolina with its staff earning an average of more than \$92,000 per year. That's according to a recent Business Journals analysis of fiscal year 2023 U.S. Department of Education data for public and private universities. By average salary, Duke is No. 1 in all of North Carolina, just ahead of Wake Forest University with an average salary for all workers of about \$89,550.

Duke University News cont.

Duke University expands student housing in Durham with \$43M deal

Duke University is adding to its student housing supply by acquiring an off-campus apartment complex rather than building new units. The university acquired the Blue Light Living apartments for \$43 million at the beginning of January, according to Durham County deed records. The 84-unit building is off Highway 147 near the Hilton Garden Inn.

Duke University receives \$100M to support free tuition, other initiatives

Duke University will receive a \$100 million donation, the largest single award in the school's history. The gift comes from the The Duke Endowment, a private foundation based in Charlotte, and will support multiple initiatives aimed at expanding access to the university. Among those initiatives is an effort Duke University announced in June to cover the cost of tuition for certain students whose families fall below specified income thresholds.

New Duke apartments continue rise in swank student living

New luxury apartments next to Duke University are open with rent starting at \$1,600 for a studio as the surge in high-end apartments near the Triangle's college campuses continues. Raleigh investment and development firm SLI Capital finished construction on Terrazzo, an apartment community with 155 units ranging from studios to two bedrooms. The apartments are also next to Duke University Hospital.

DURHAM QUICK FACTS

Community Profile

Durham is a historical haven, a sanctuary for the spectacular, and a rough-cut gem waiting to be unearthed. Durham's been a destination on the move for more than 150 years. Before our sidewalks were lined with award-winning eateries, they were traversed by our first generation of industrious entrepreneurs. We are where inspiration is found, where all are welcome and where the wild, wonderful, bold and beautiful come together in unexpected ways.
