## IN THE PATH OF DEVELOPMENT

Most of the projects that enter the pipeline for National City are smaller with a few notable developments. These new developments could increase to tap into demand for this submarket, along with the approval of the Barrio Logan community plan - increasing the number of area residents (from 4,000 to 12,000), and the number of jobs by 30%.

### **NATIONAL CITY TO BEAUTIFY CITY WITH \$5M**

National City has been awarded nearly \$5 million to clean up trash and transform public places, as part of Clean California grants. National City is one of more than 100 projects to receive part of the grants in Clean California - these grants are for local beautification and place-making for the community. The grants will generate 3,600 jobs statewide.

### **GAYLORD PACIFIC RESORT AND CONVENTION CENTER**

Located in Southern California and set to open in the early summer of 2025 the Gaylord Pacific Resort and Convention Center will be the premier meeting and convention hotel on the West Coast. This beautiful and expansive hotel fronts San Diego Bay to the west and the Chula Vista Marina to the south providing unimpeded views across the bay to the Pacific Ocean.

The sixth hotel in the Gaylord Hotels brand portfolio will have 1,600 guest rooms and suites, as well as more than 477,000 square feet of function and convention space, including a 140,000 sq. ft. carpeted exhibit and meeting Flex Hall.
