The Offering

Coldwell Banker Commercial is pleased to present a premier medical office opportunity at 153 East Avenue in Norwalk, Connecticut. The entire building is undergoing a full interior and exterior renovation, with all three floors, totaling 26,220 square feet, available for lease. Each floor plate is surrounded by windows, offering abundant natural light throughout the building. This creates a rare opportunity to secure space in a fully modernized, purpose-built medical environment.

Situated on East Avenue in the heart of Norwalk's established medical corridor, the property offers immediate access to major routes, including I-95, Merritt Parkway, Route 7, and Route 1. The location benefits from its position among a cluster of other medical buildings along East Avenue, reinforcing the corridor's identity as a premier destination for healthcare providers.
