

INNOVATIVE CLASS A MOVE.

Solano Innovation Center
220 Campus Lane Fairfield, CA 94534

Your company can finally be in a building that represents a place designed for innovation in the North Bay Area of California.

Solano Innovation Center is close to freeways leading to commercially-important cities like Berkeley, San Francisco, and Sacramento. This great opportunity accommodates companies seeking access to thriving local industries like Defense Tech, BioTech, and AgTech. This 43,000 SF building has unique design features that inspire creativity and facilitate breakthroughs. It has plenty of nearby amenities as well as colleges and universities supporting a strong workforce.
